

# HORSE BARN PLANS

VOLUME 1

**20 Detailed Plans**

Including Stall Barns, Riding Arenas  
and Multi-Purpose Buildings

I hope you enjoy Horse Barn Plans, Vol. 1 from FBi Buildings.

This plan book is another in a line of helpful resources FBi provides. Our mission is to make it easy to plan, buy, build and own a building. One of the best ways to start the planning process is to look at what others have done.

These plans represent a wide range of applications, from small hobby barns to large boarding stables. Our equine customers have told us they enjoy seeing this variety because much can be gleaned from barns of all sizes and styles. I hope you agree.

If you have site issues that need consideration – and almost everyone does – you may want to request our free Site Planning Kit. It's one more tool we provide to help you plan for success.

When you are ready to begin the next step, please give FBi a call at 1-800-552-2981. Our team stands ready to assist with planning, permits, pricing – whatever it takes to move your project from dream to reality.

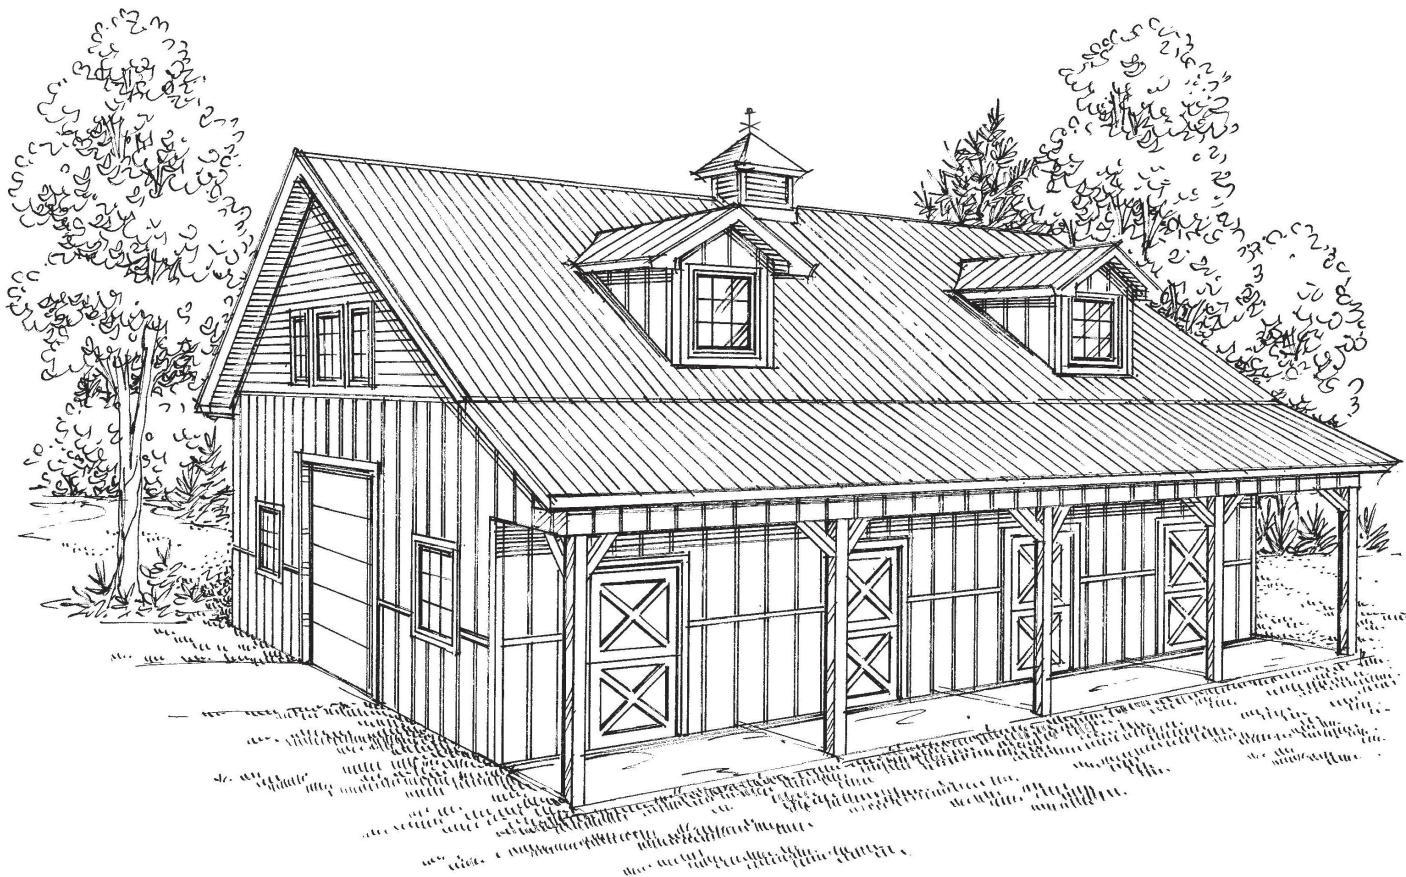

Sincerely,

A handwritten signature in black ink that reads "Miles Ridgway". The signature is written in a cursive, flowing style.

# Country Charmer

THE PERFECT BUILDING FOR ONE TO FOUR HORSES!

A classic design, this barn includes four stalls plus plenty of room for storage. Overhead doors at both ends make access a breeze. Two dormers bring in natural light and enhance the aesthetics. Shown with cedar siding and extra door and window trim.

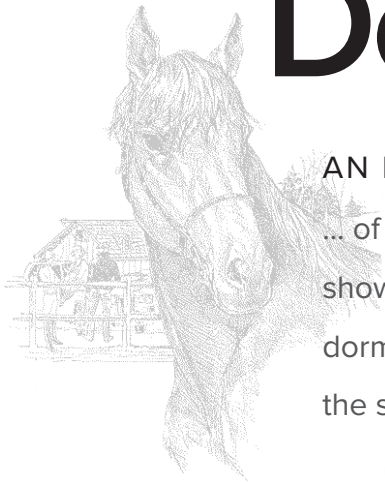

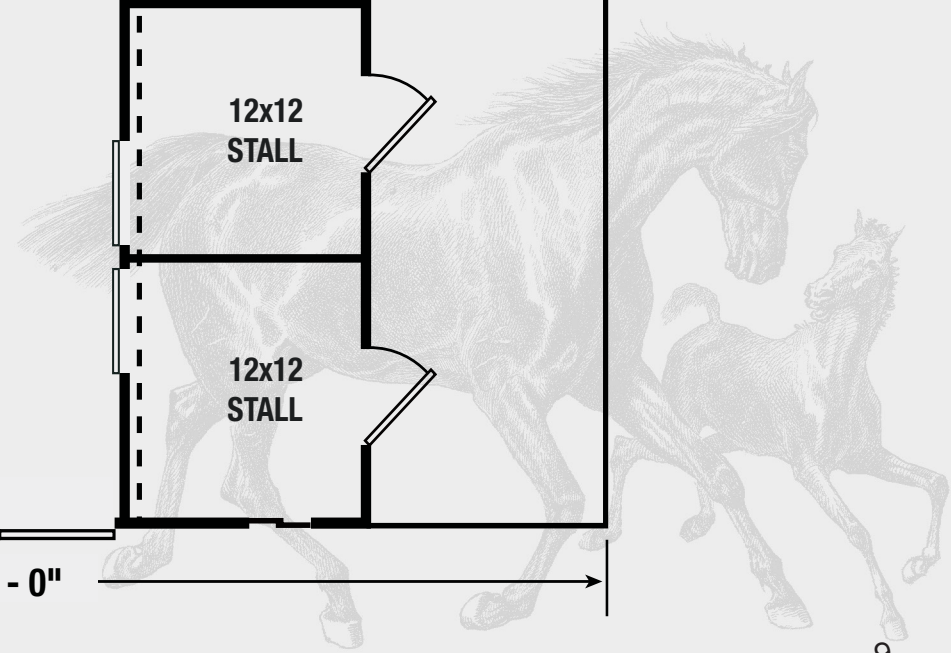

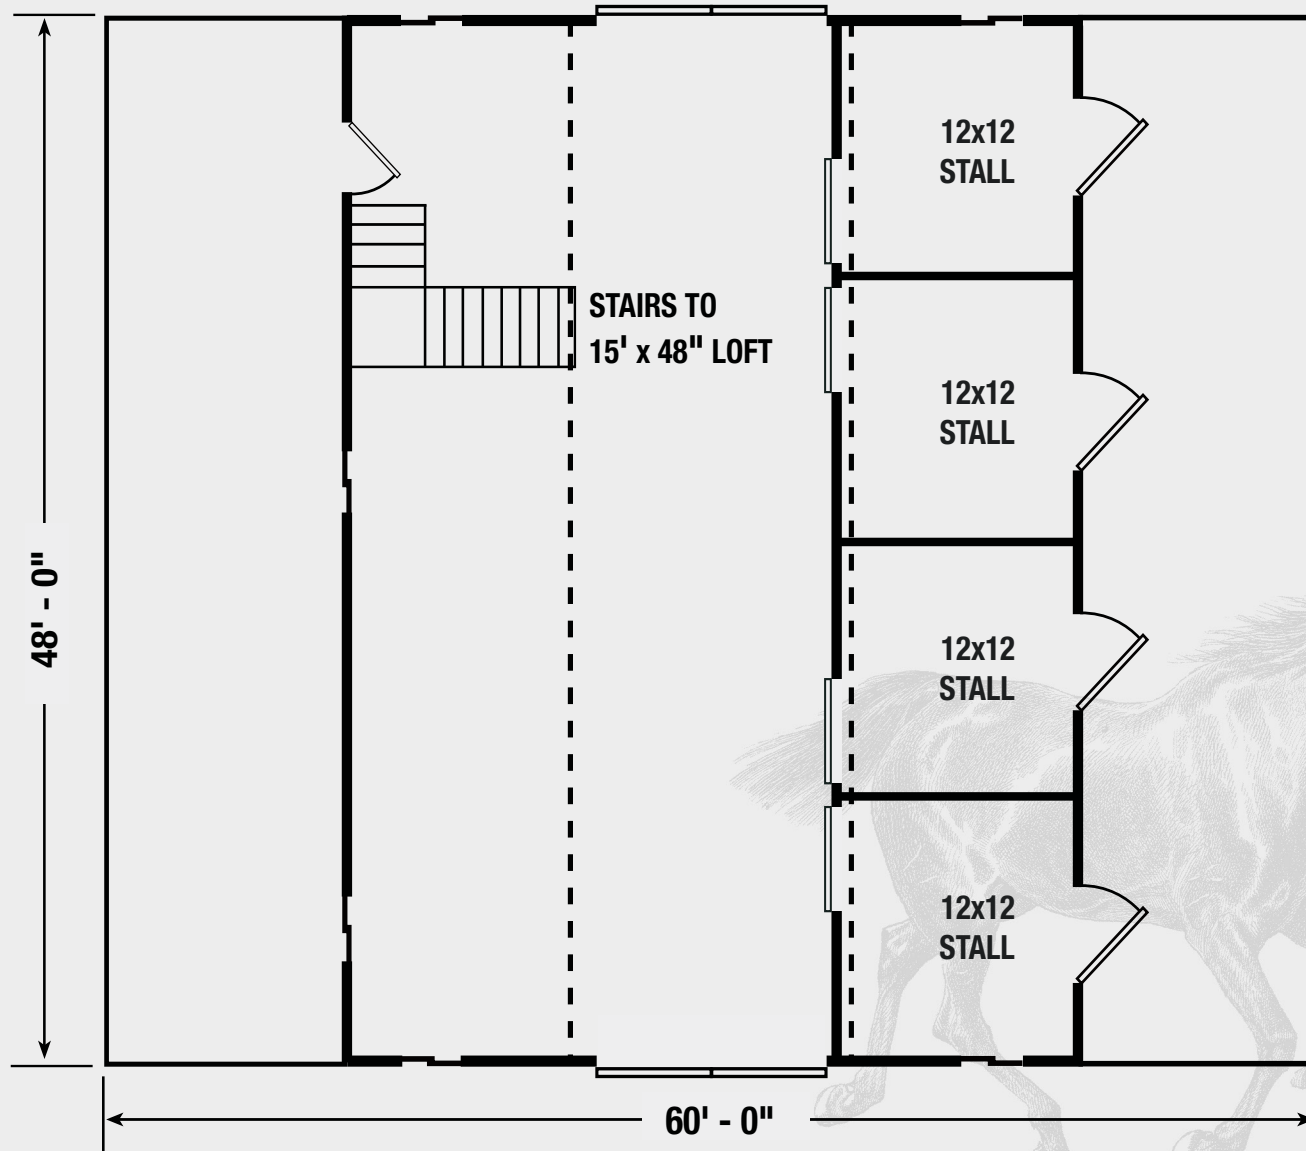

# Double Porch Delight

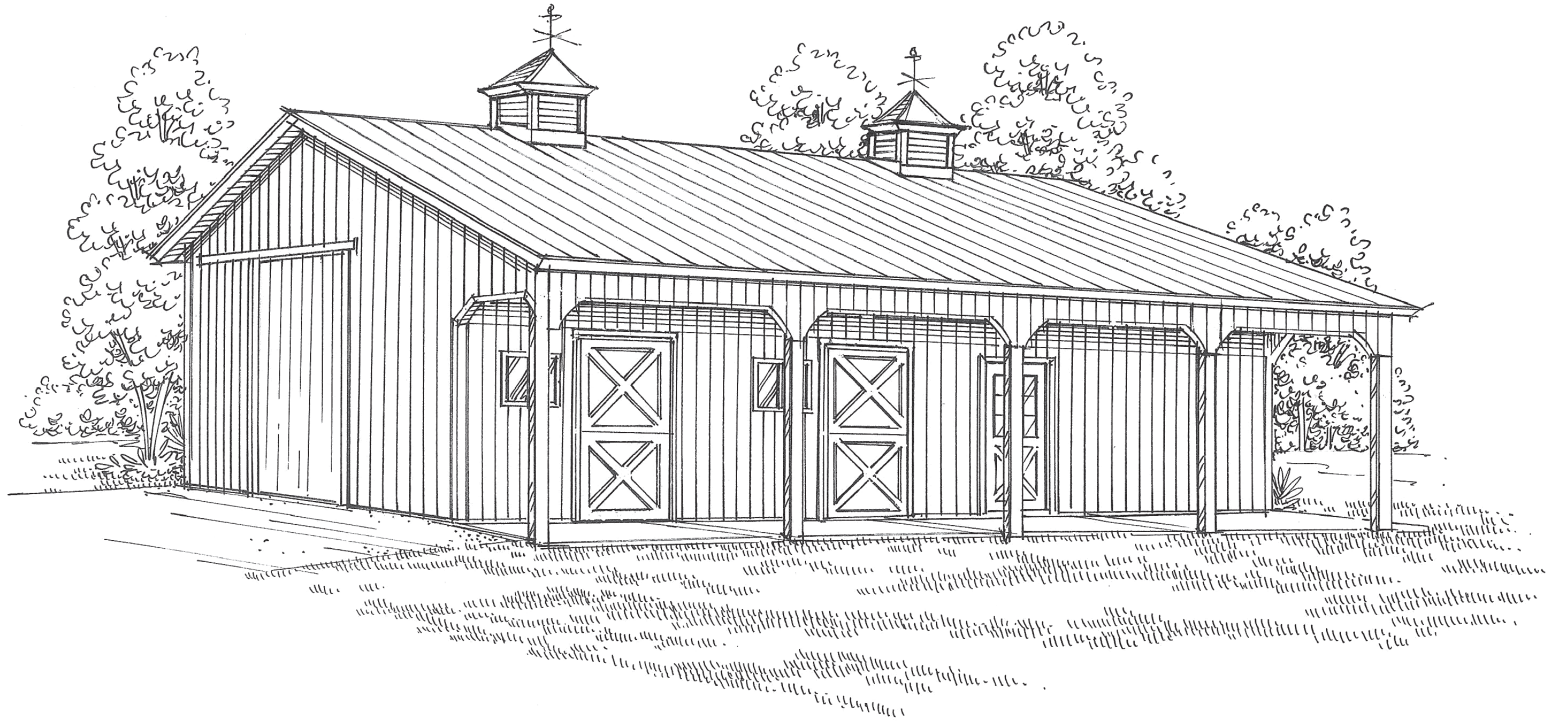

## AN ELEGANT PRESENTATION

... of the stall-barn-plus-storage building. This plan provides room for up to six stalls. It is shown with 4 stalls, and abundant room for storage. Stairs lead to a loft that is brightened by dormers and a large end window. The two porches allow both horses and humans to enjoy the shade.

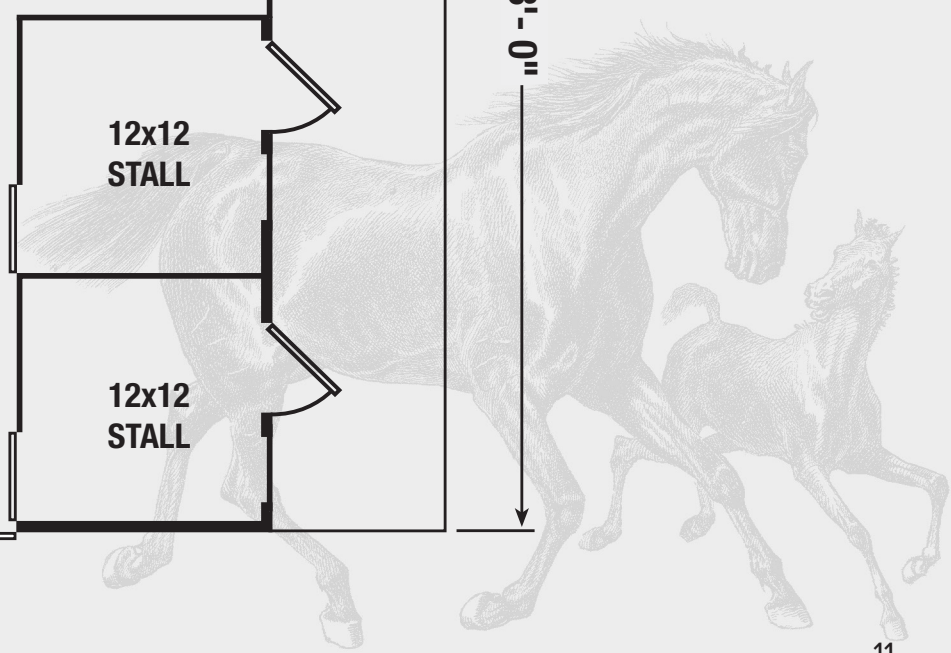

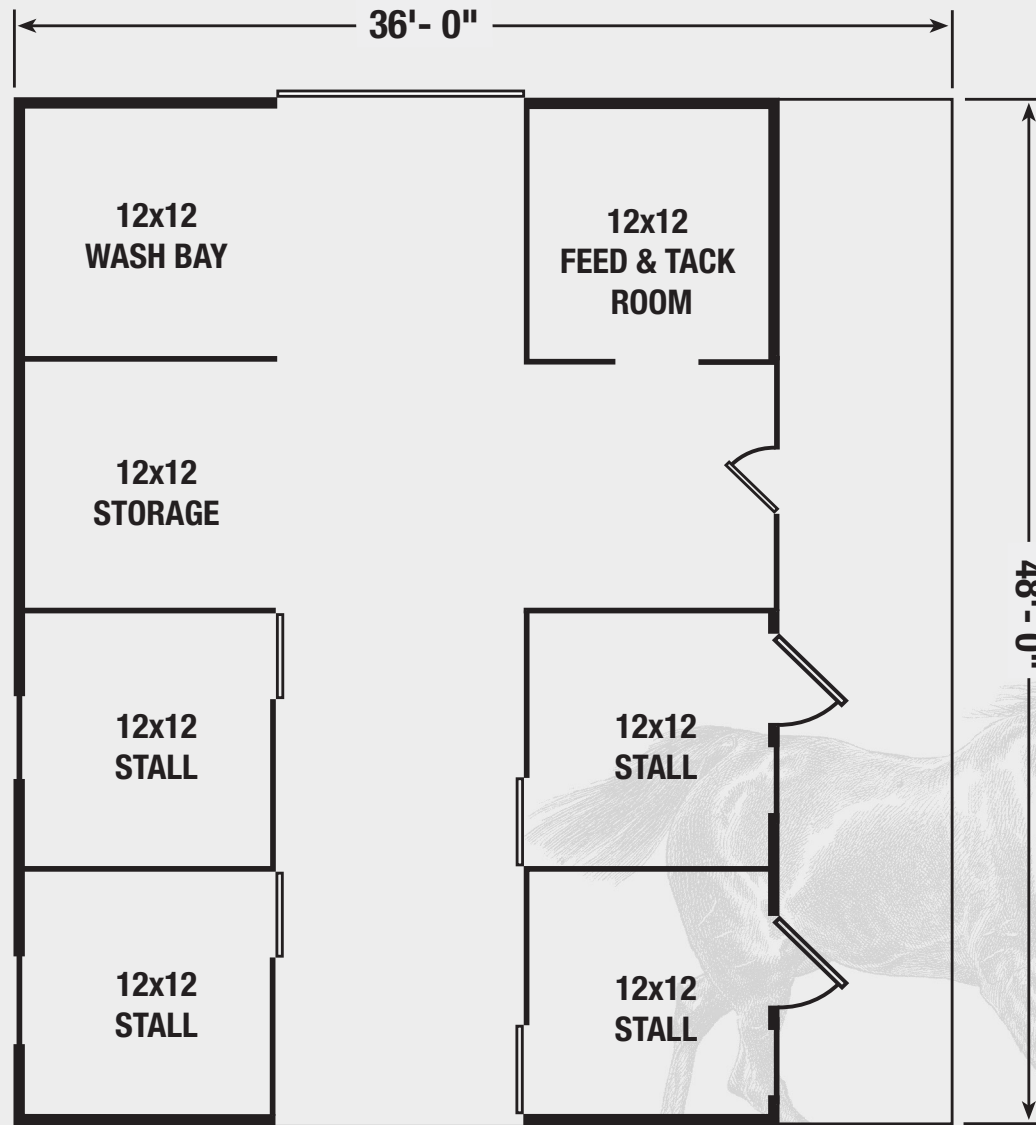

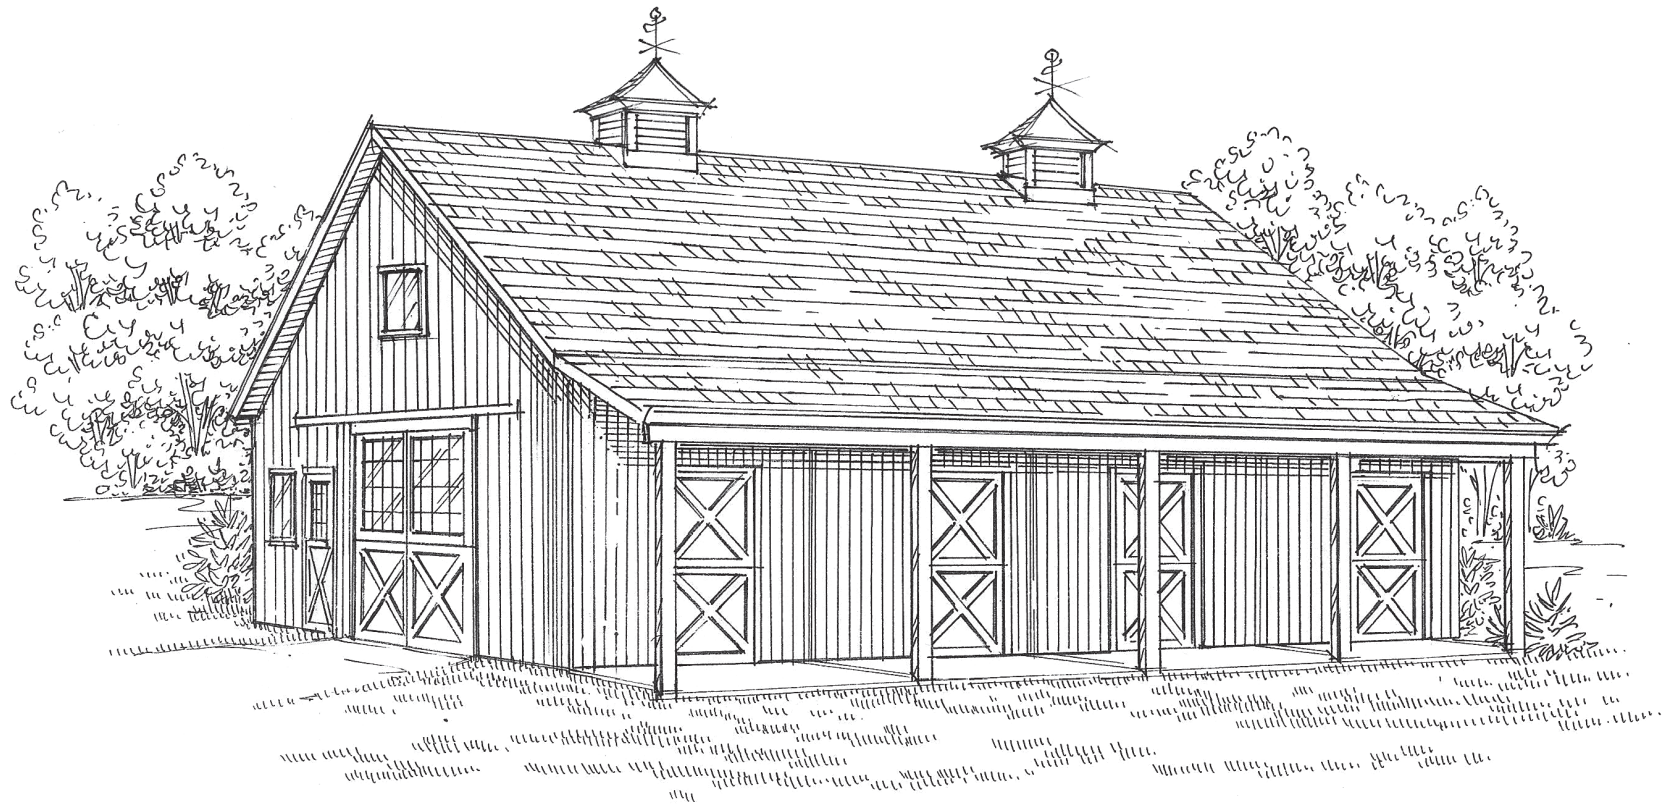

# Country Classic - 4 Stalls

FOR THE SERIOUS HOBBYIST

This plan provides 4 stalls, plus more. You get the convenience of an indoor wash stall, a dedicated feed/tack room and additional storage.

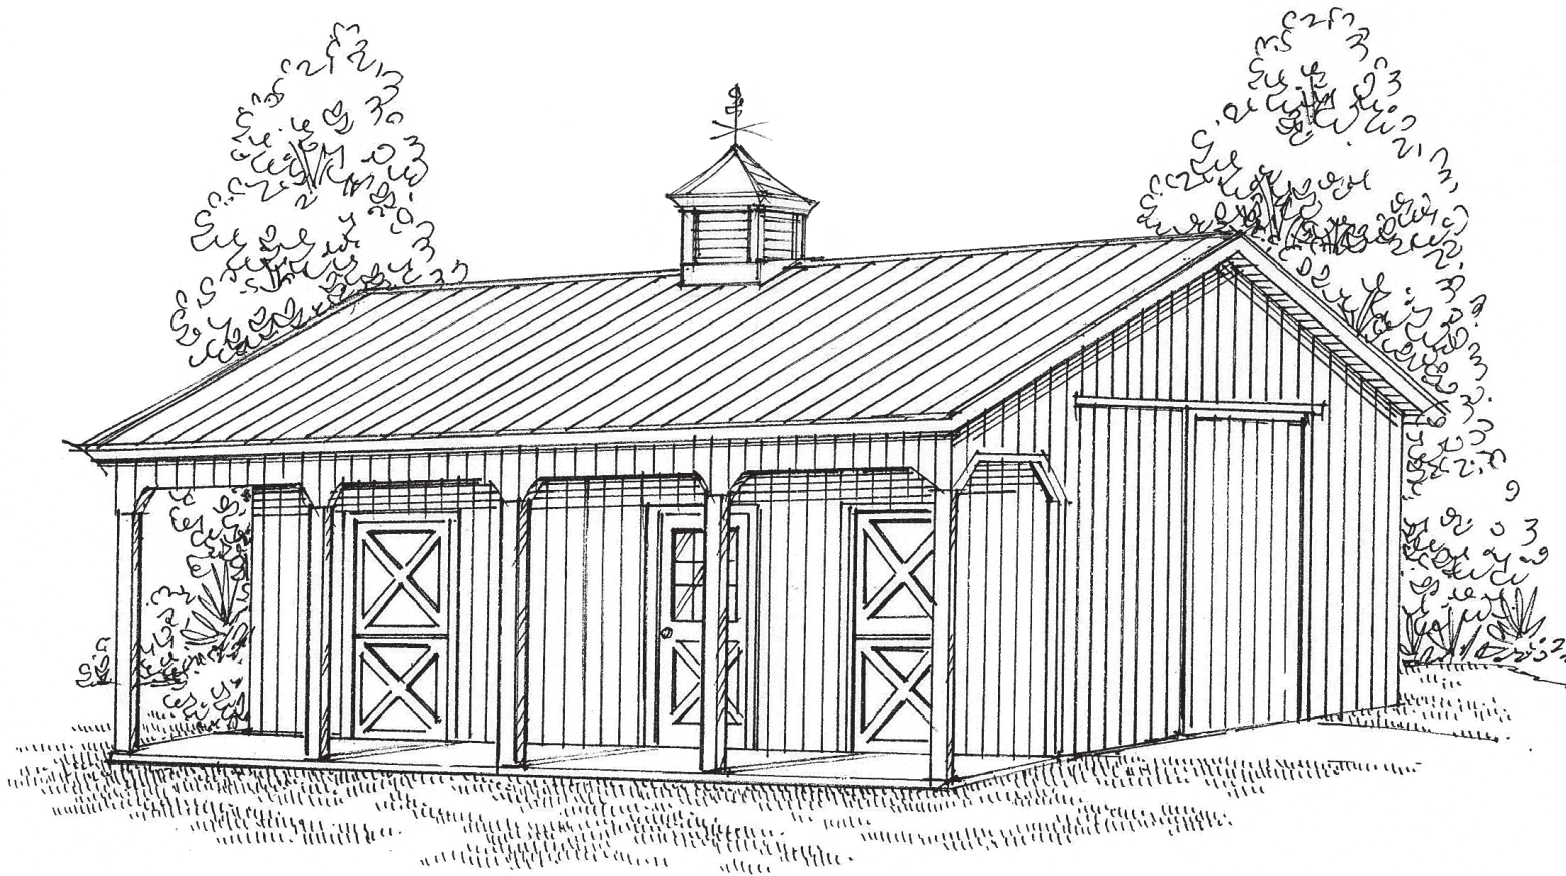

# Country Classic - 6 Stalls

THIS STRAIGHTFORWARD PLAN

... provides six stalls and adequate storage space for tack and feed. You and your horses will appreciate the abundant natural light and cross ventilation. Cupolas and split Dutch doors add a touch of class.

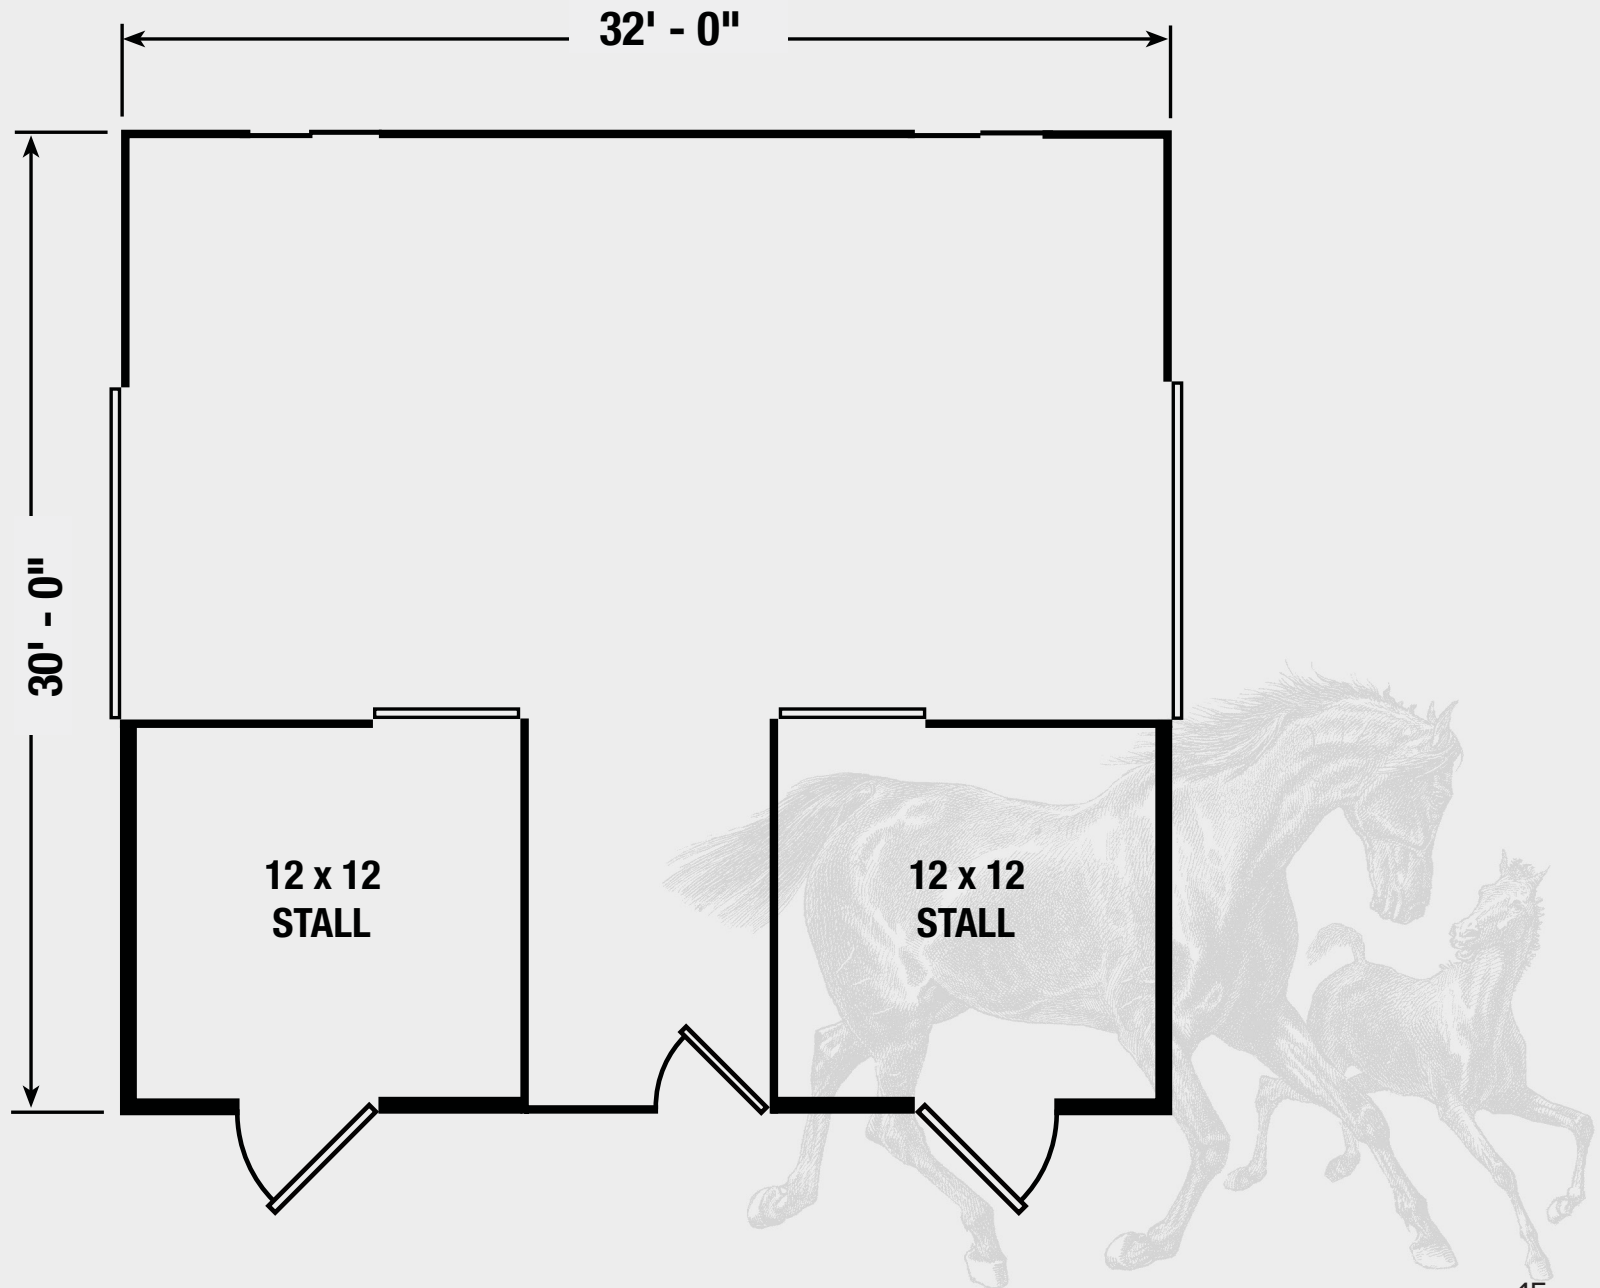

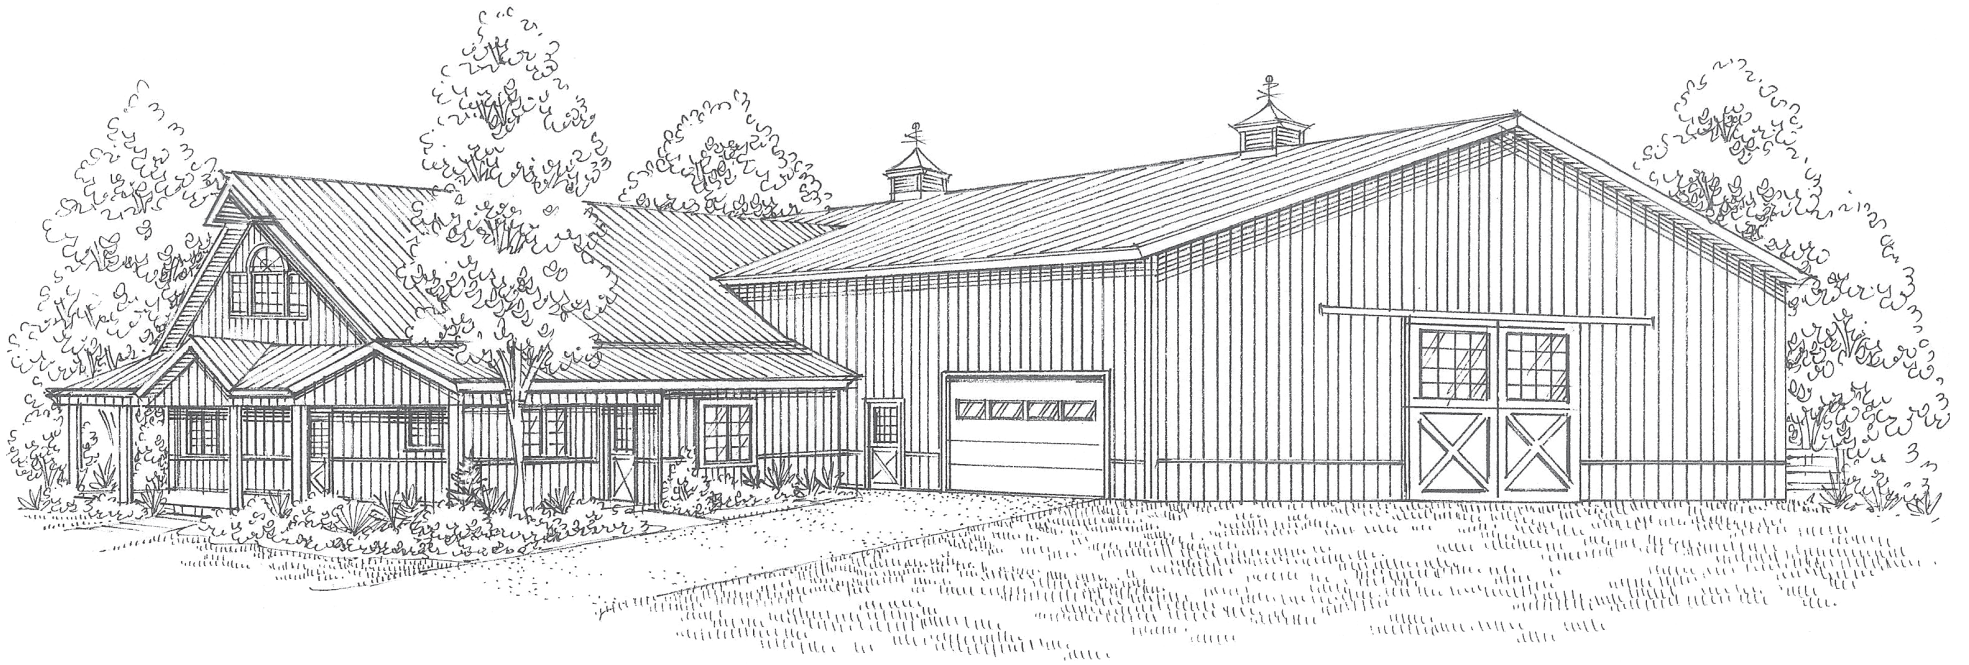

# Basic Barn

NO-NONSENSE, BUT ATTRACTIVE

...two-stall barn. For those with one or two horses, this dedicated building gets the job done.

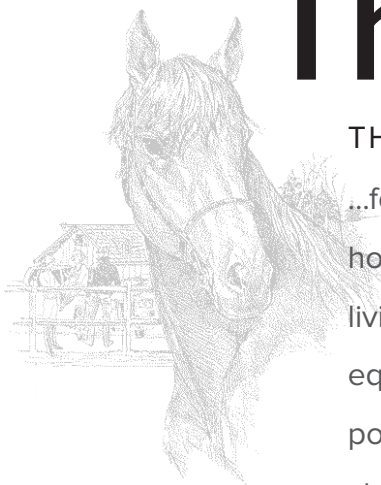

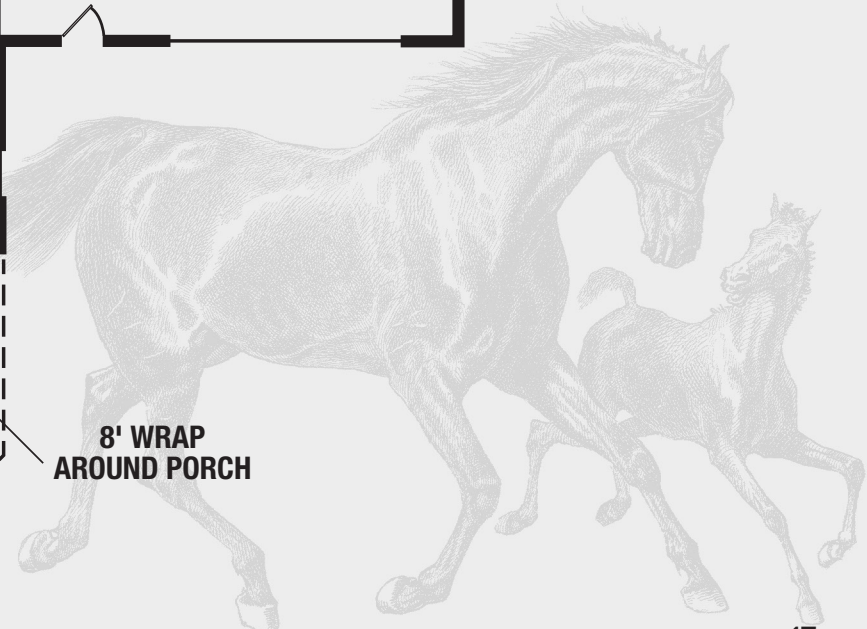

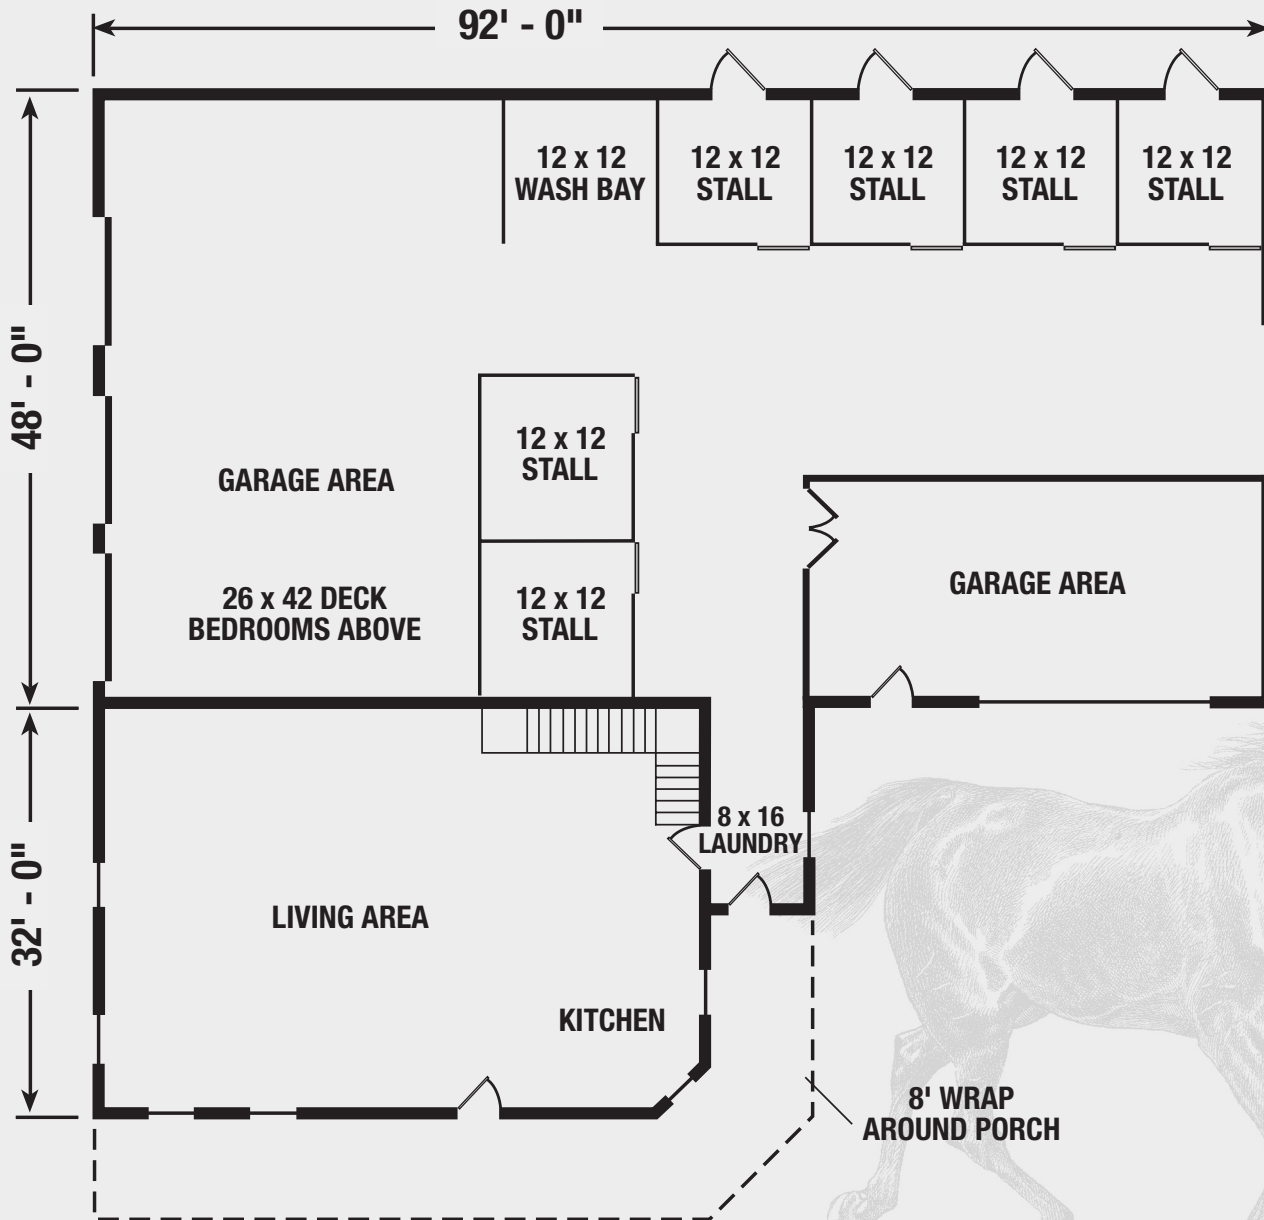

# The Carriage House

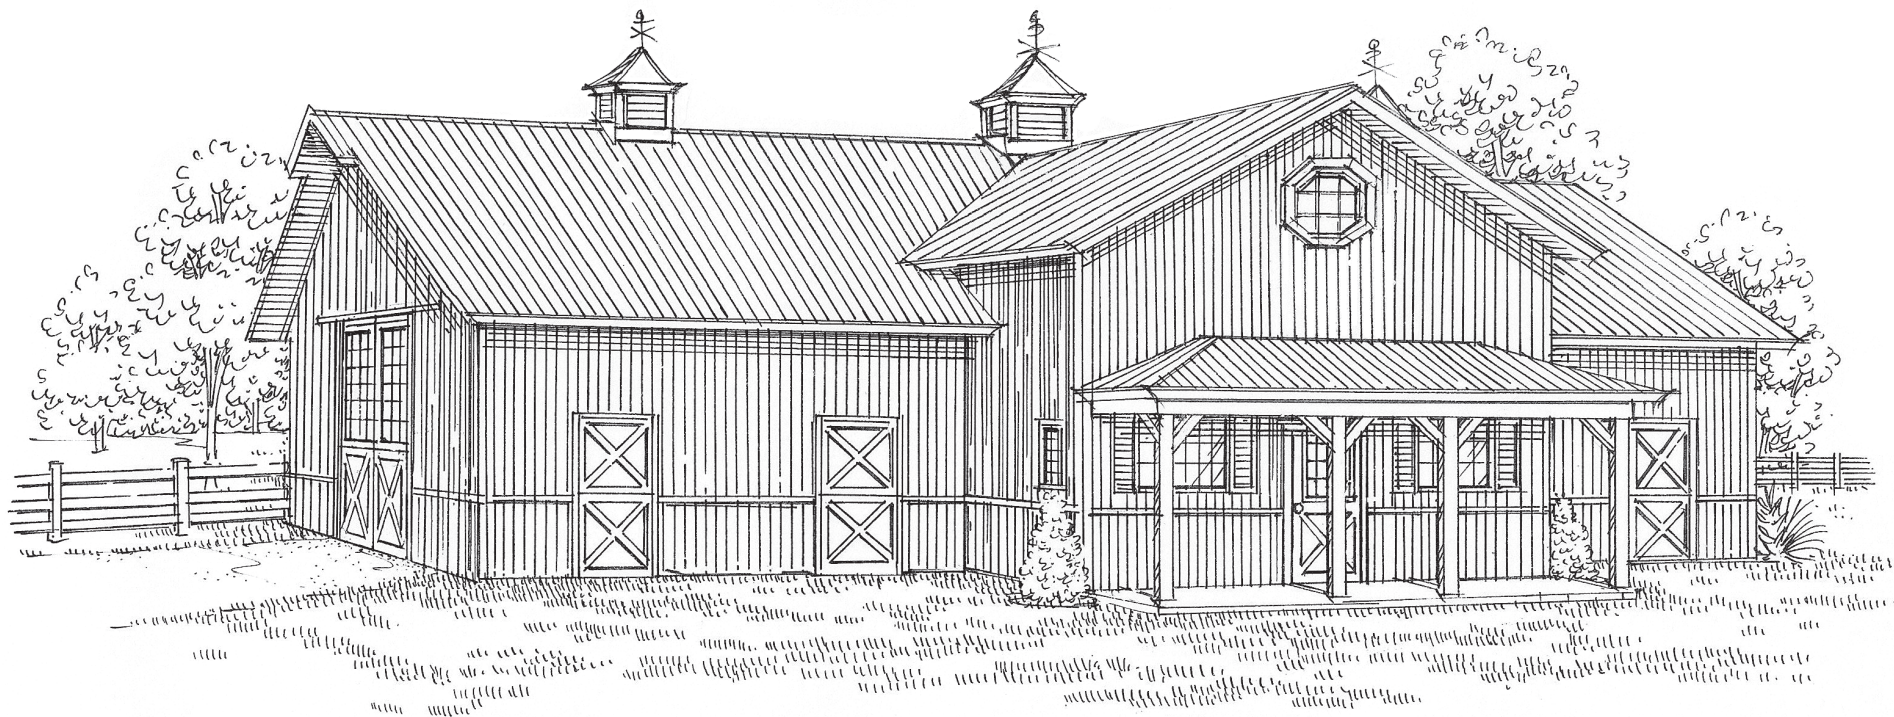

## THE LIVING IS EASY

...for both horses and humans in this stylish plan. From the front, this is an eye-catching house with a large garage and wraparound porch. Inside is two stories of abundant living space. Two garage areas allow for separate and dedicated use for family and equine operation. Or use one as a wood shop, rec room, storage for boats and RVs – the possibilities are endless. The back portion of the plan includes six stalls, wash stall and storage; all are easily accessed.

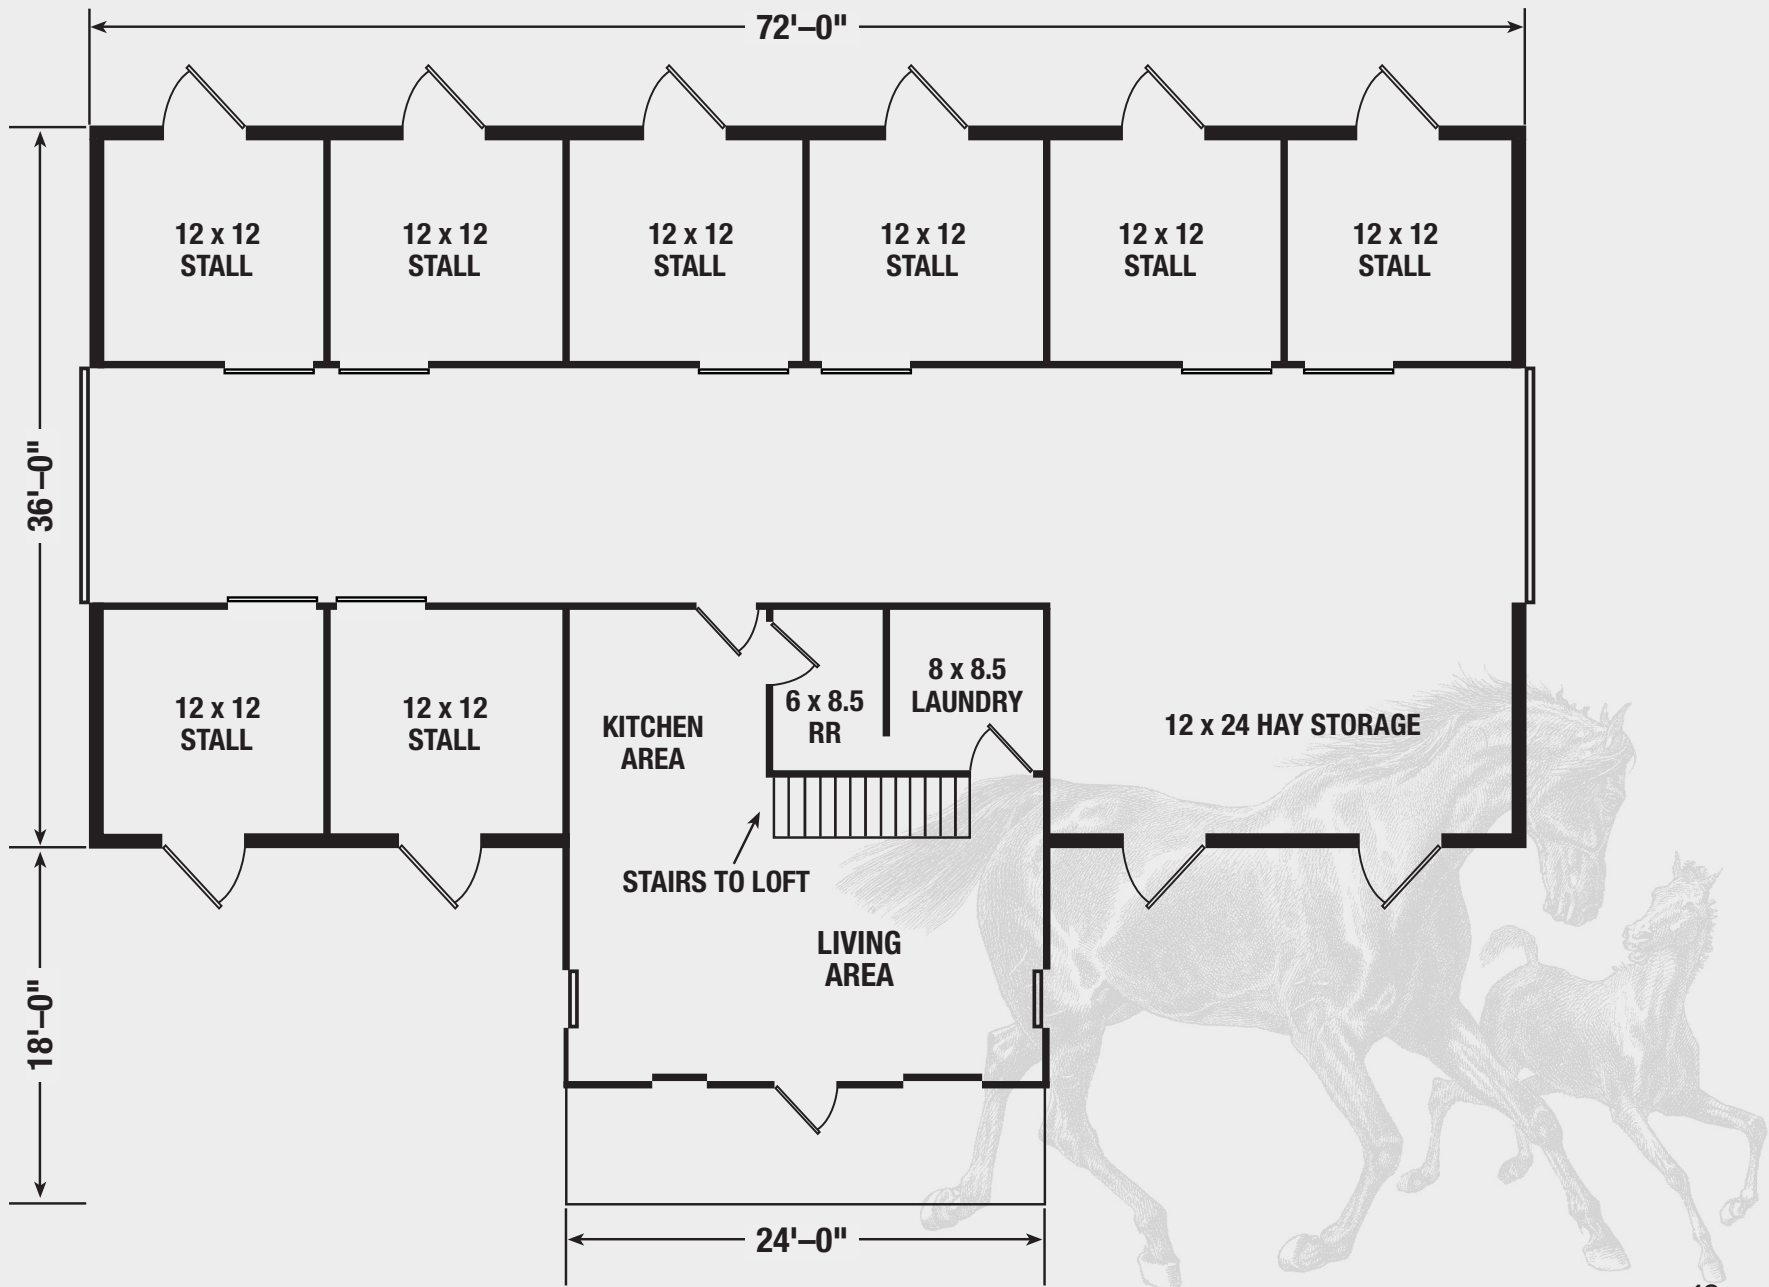

# Cedarwood Manor

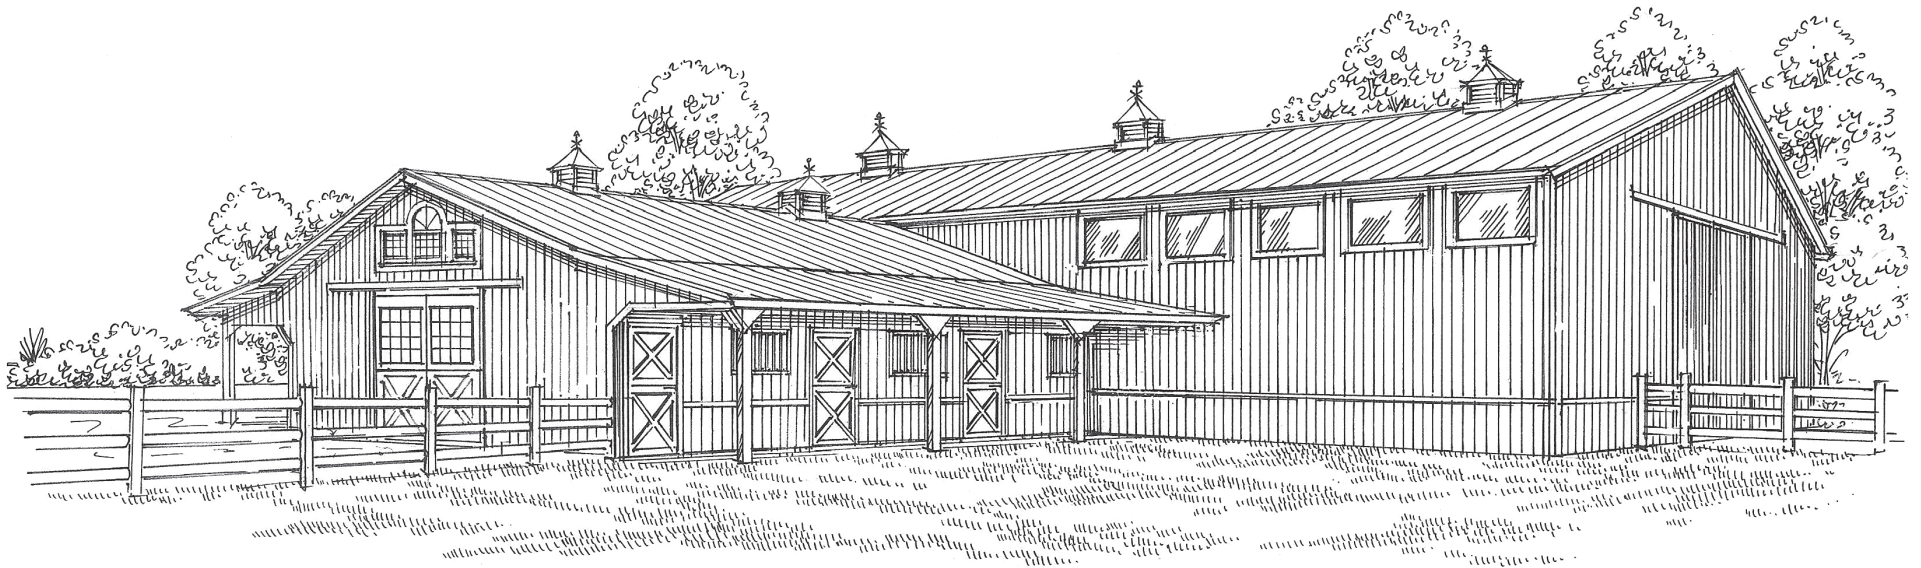

WITH 8 STALLS AND ADDITIONAL STORAGE

... this mid-sized barn provides space for your dreams to grow. The two-story residential area is perfect as a guest house, living quarters for hired hands or for the owner to enjoy. The stylish design provokes a stately, yet approachable air.

8 stalls and additional storage

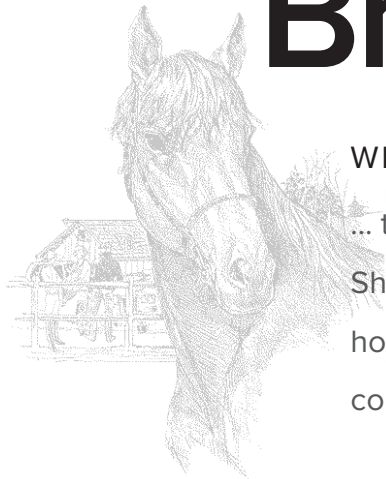

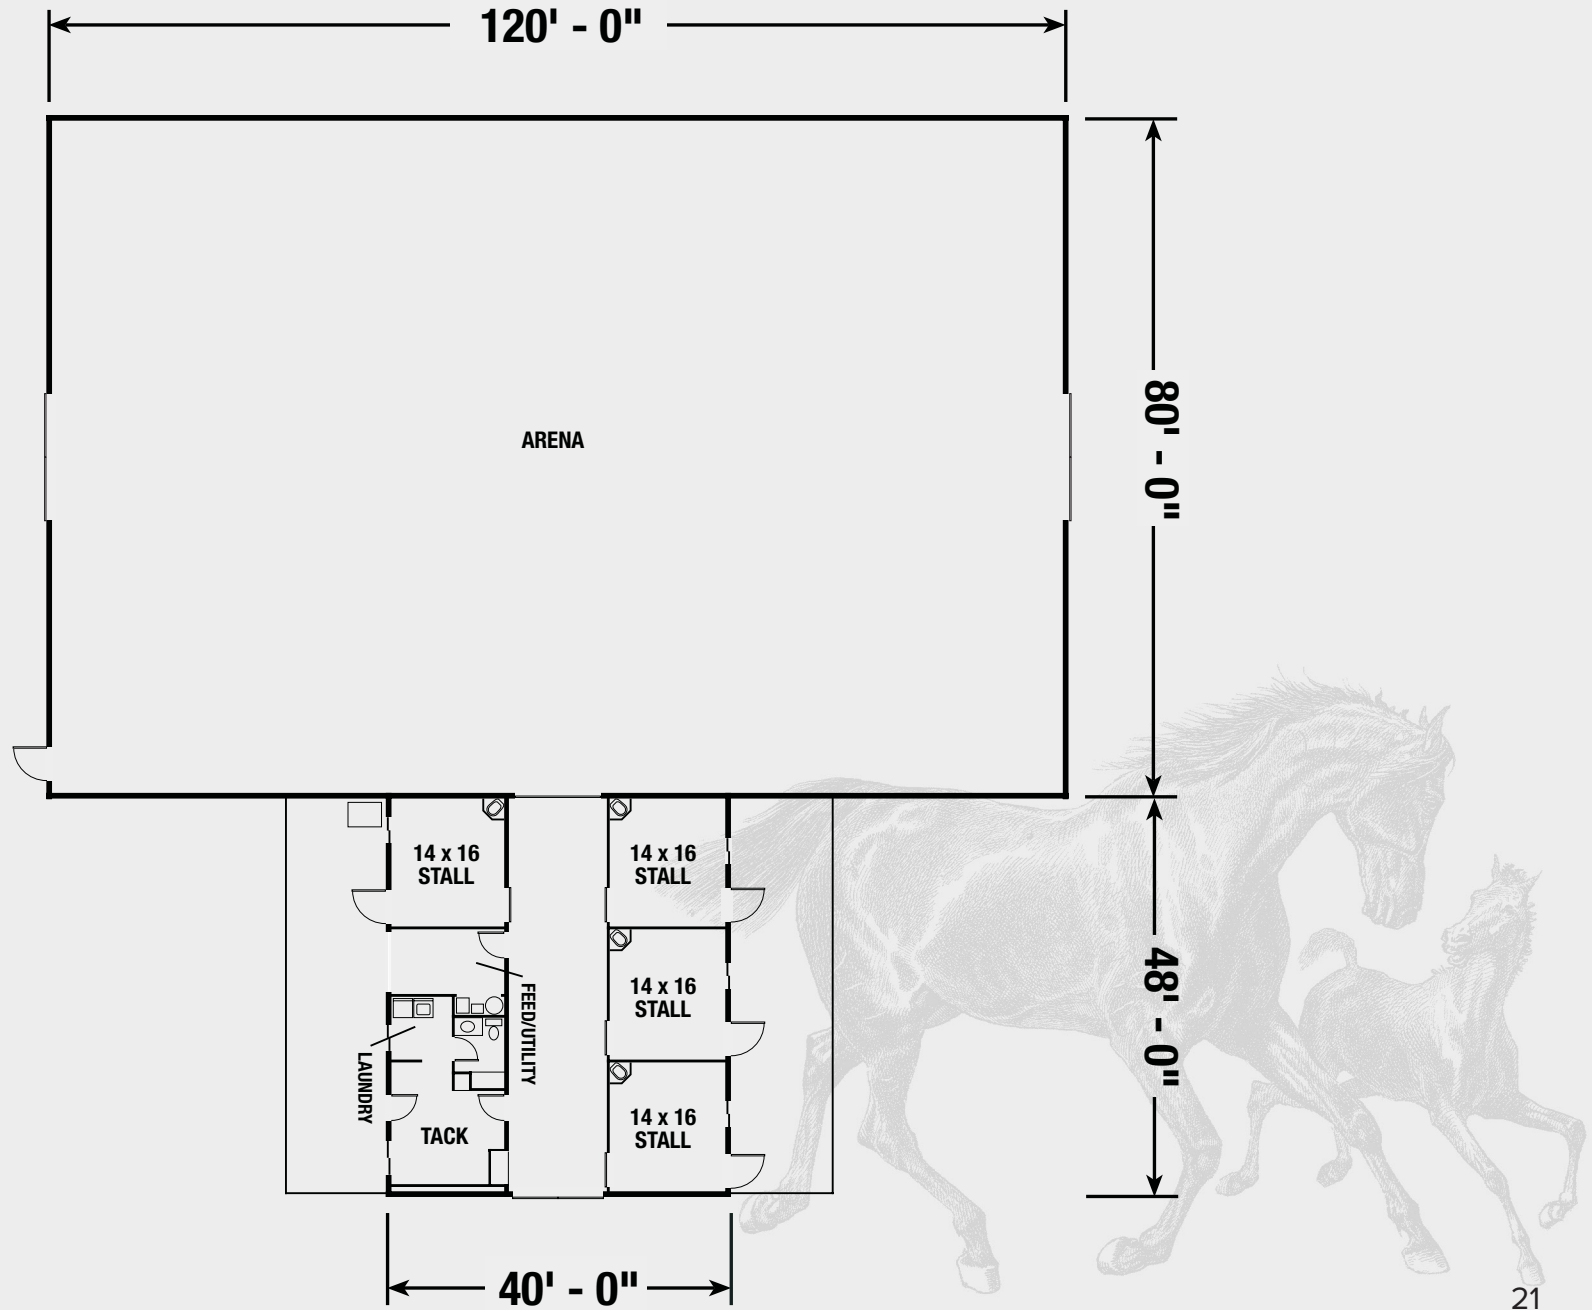

# Bright Meadows

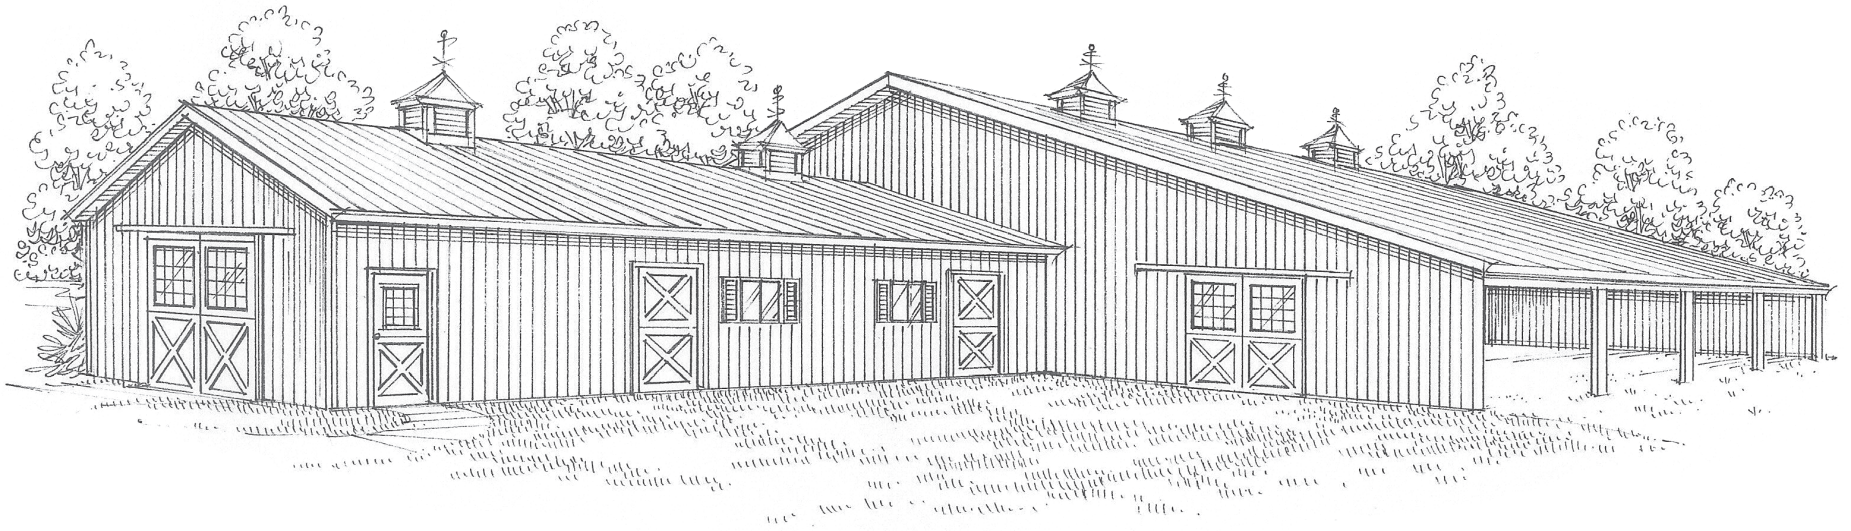

WHEN COMFORT AND HEALTH ARE TOP PRIORITIES

... this plan delivers. Sunlight streams in from every angle in this delightful building.

Shelter is provided by two deep porches. Oversized stalls allow reduced labor and put horses at ease. A laundry room, restroom and feed room provide an extra measure of convenience. The arena also boasts abundant natural light from large windows.

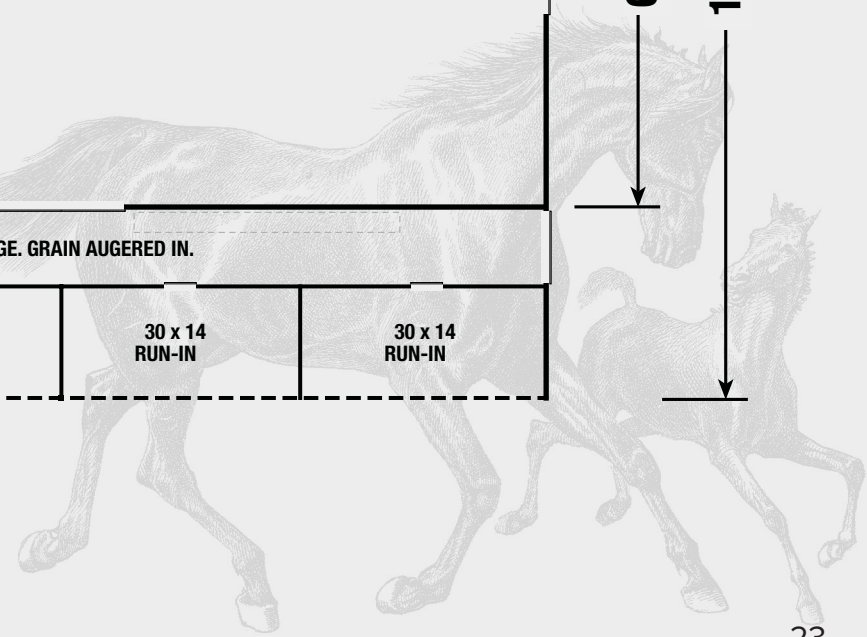

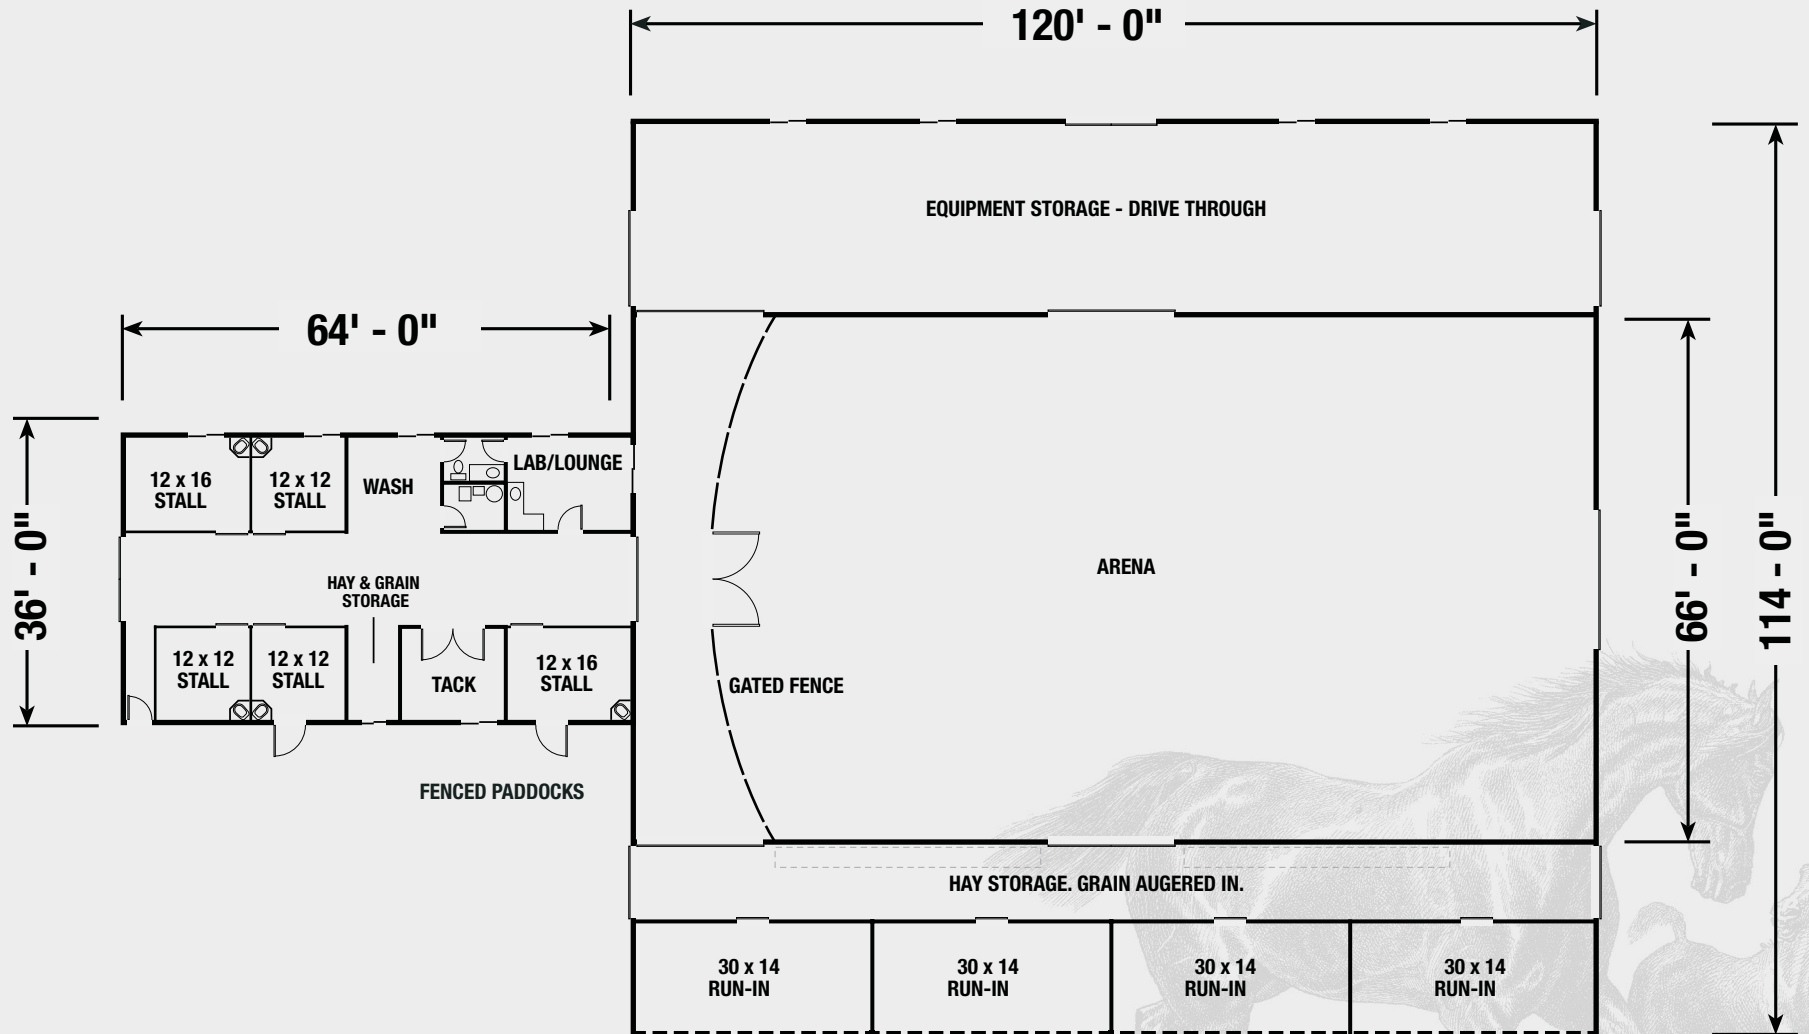

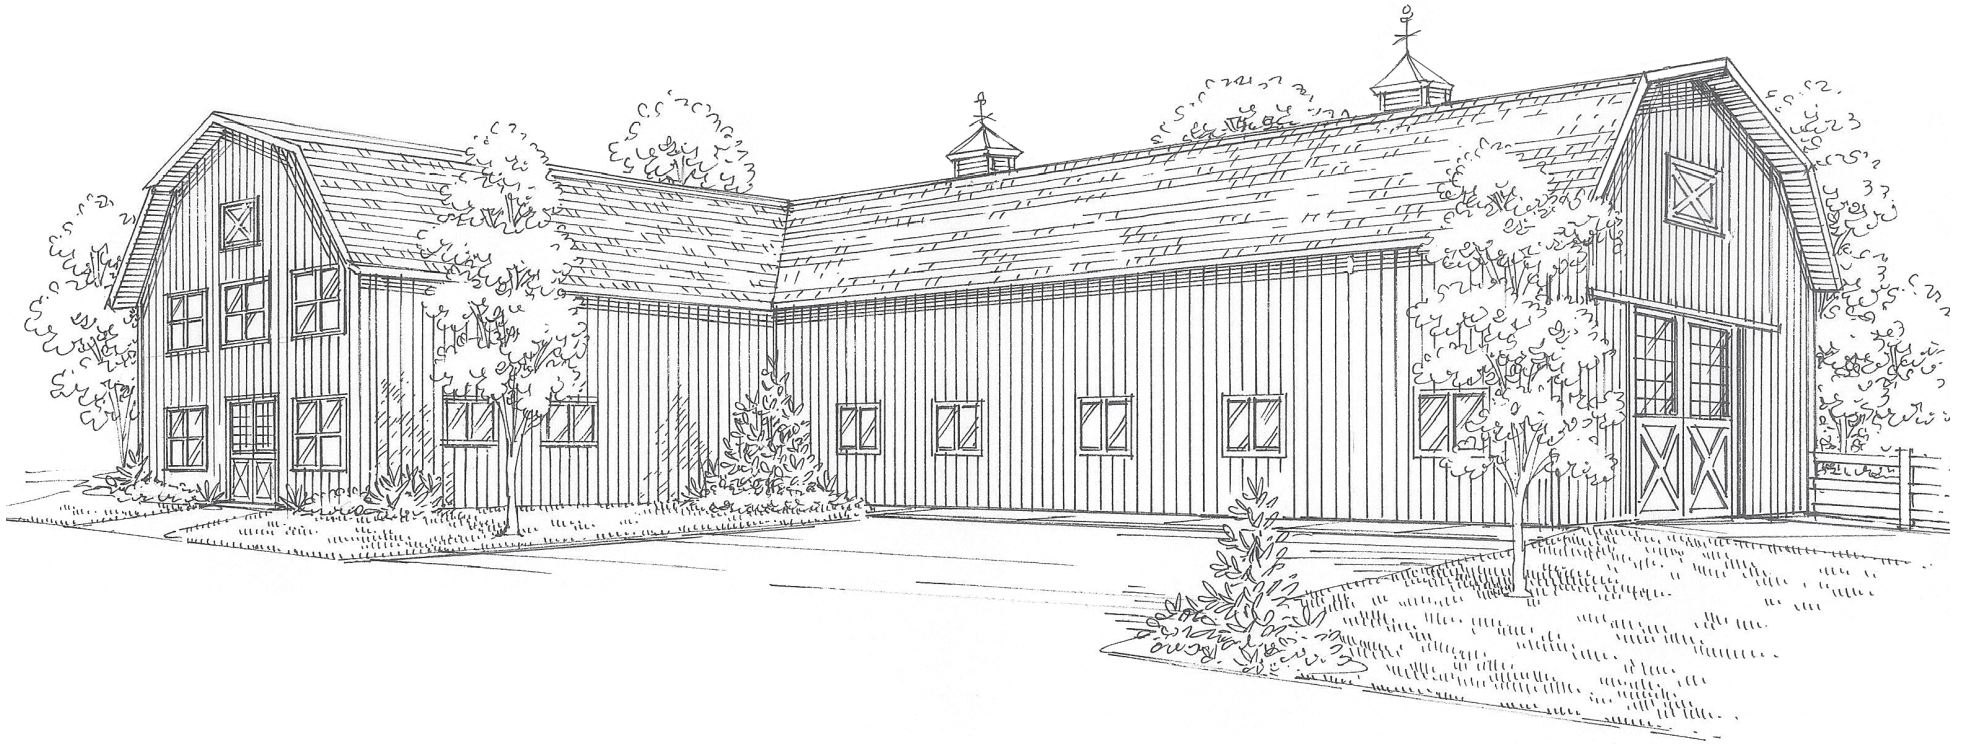

# Farmdale Ranch

THIS BARN AND ARENA HAVE IT ALL

The stall barn includes amenities such as a lounge, lab, restrooms, wash stall, feed storage and tack area. Two of the stall are oversized for foaling. The arena makes good use of lean-to space by include run-in “sheds” and equipment storage.

# Silver Oaks Barn

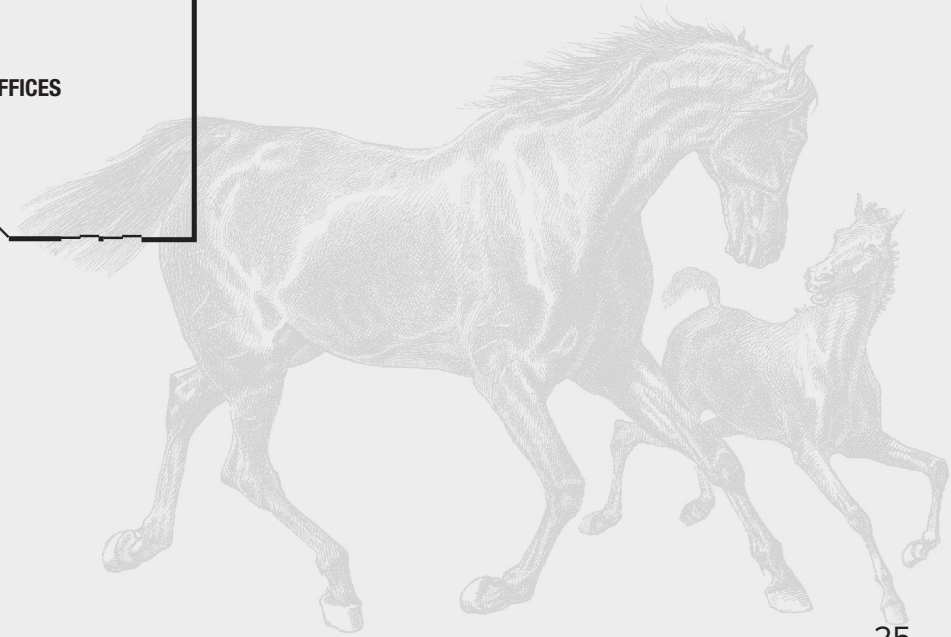

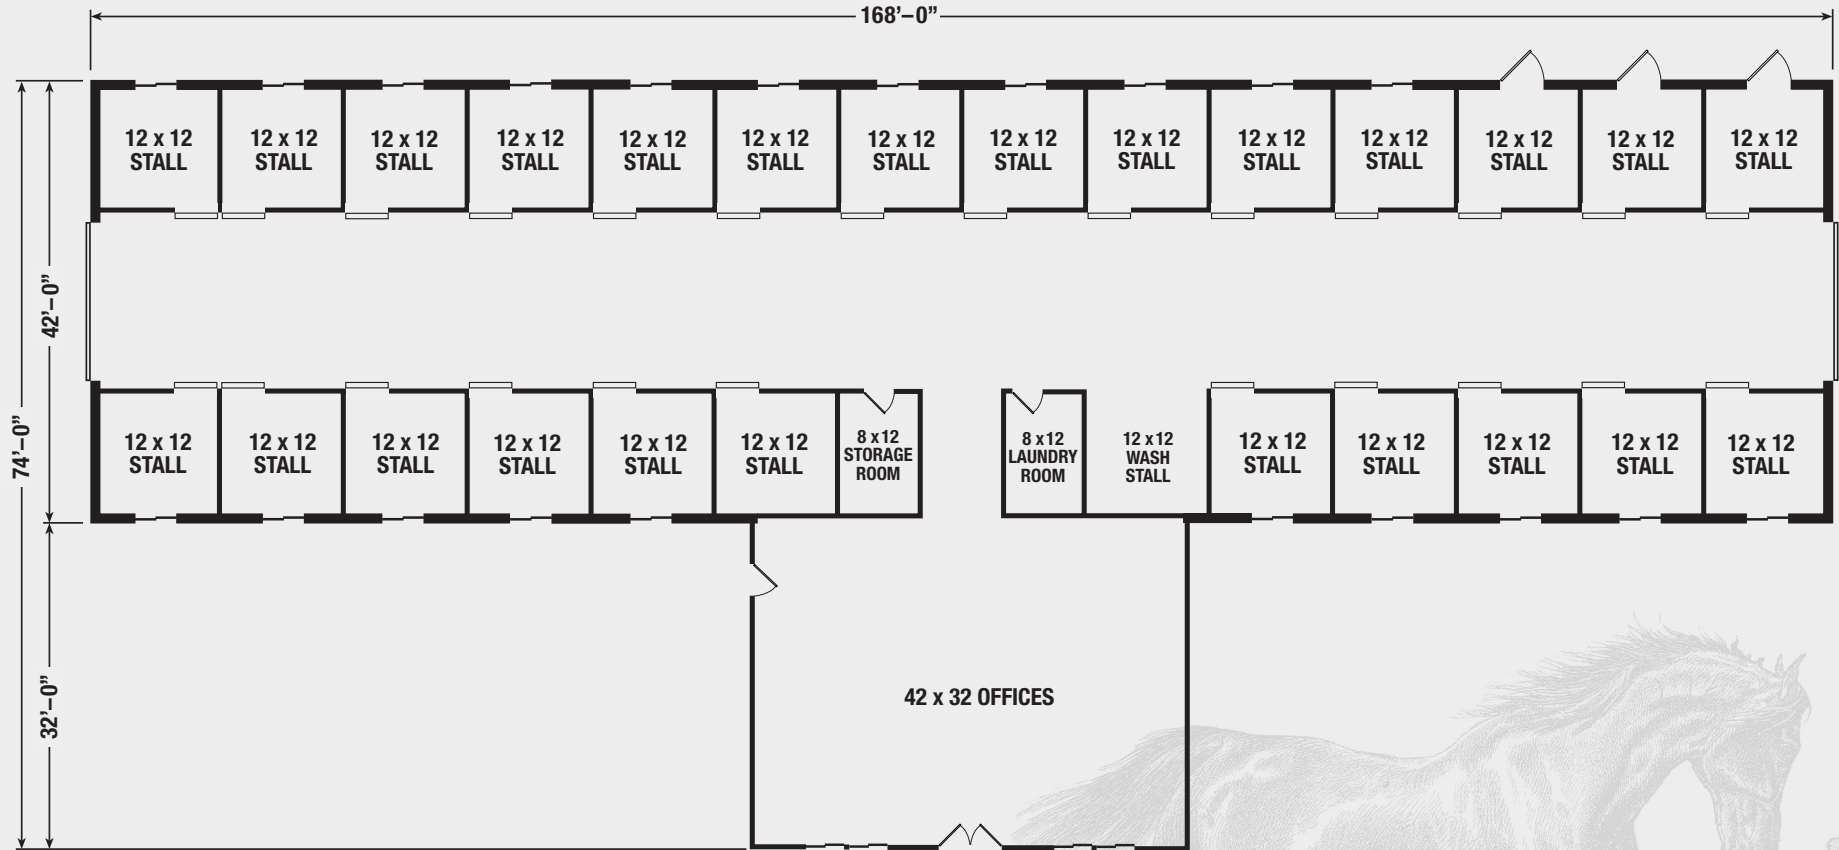

A GAMBREL ROOF ADDS NOSTALGIC CHARM

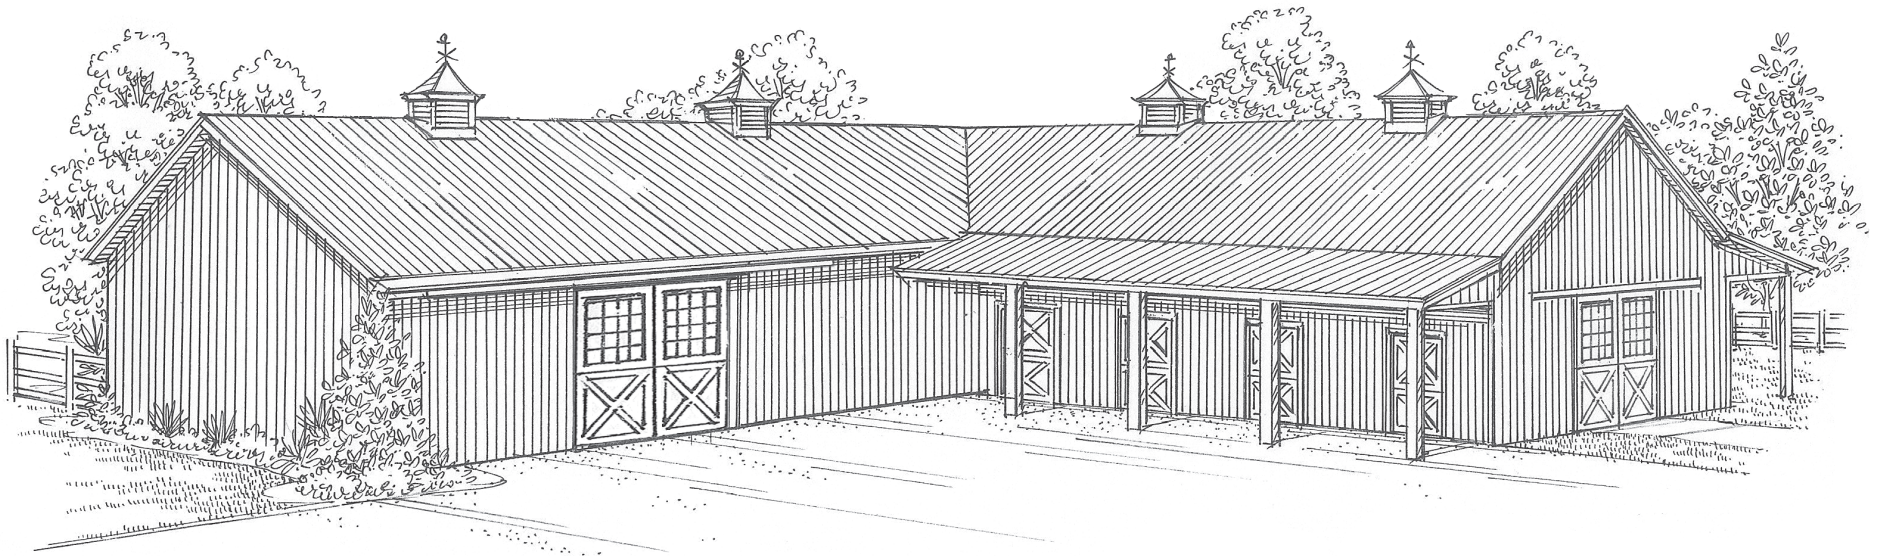

... to this large stall barn. Set up for the professional operation, the front two-story section provides plenty of space for offices and administrative functions. Alternatively, it could be finished as living quarters. In back, 25 stalls await, plus a wash stall, laundry and storage.

a gambrel roof adds nostalgic charm

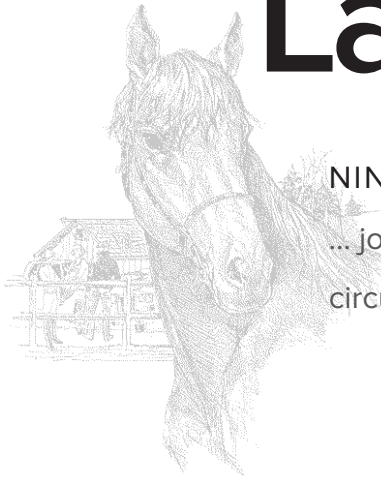

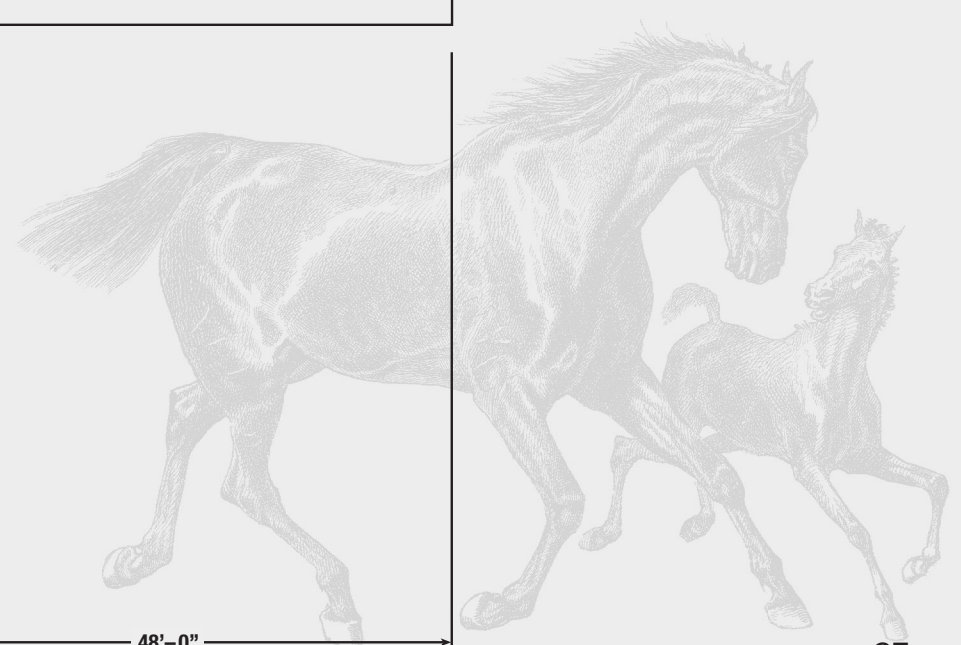

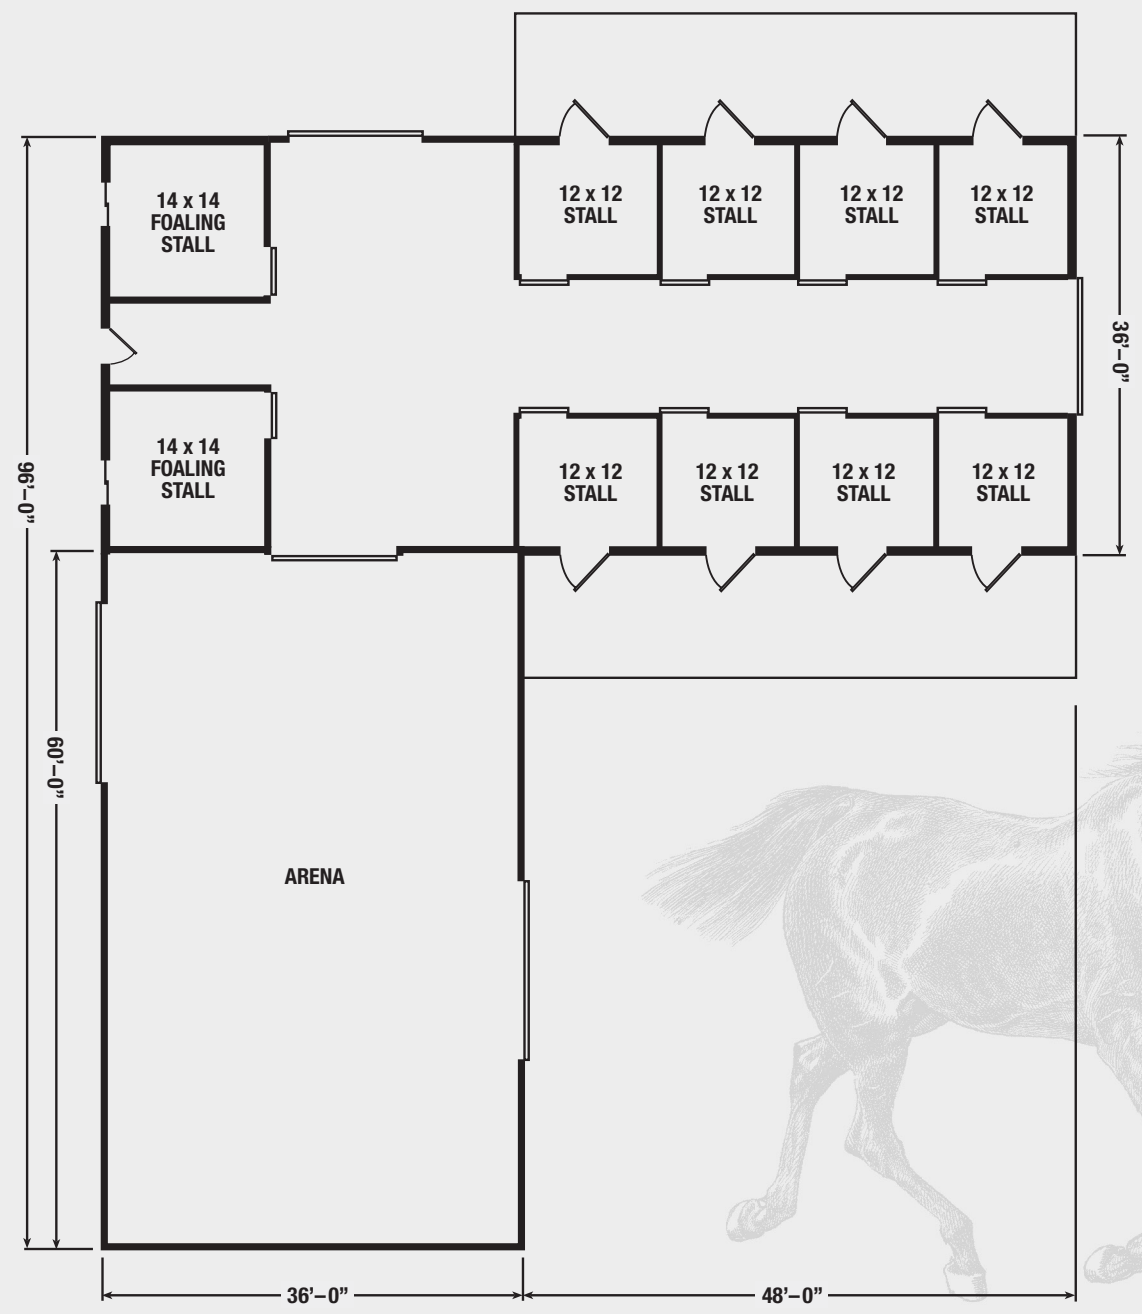

# Lady L

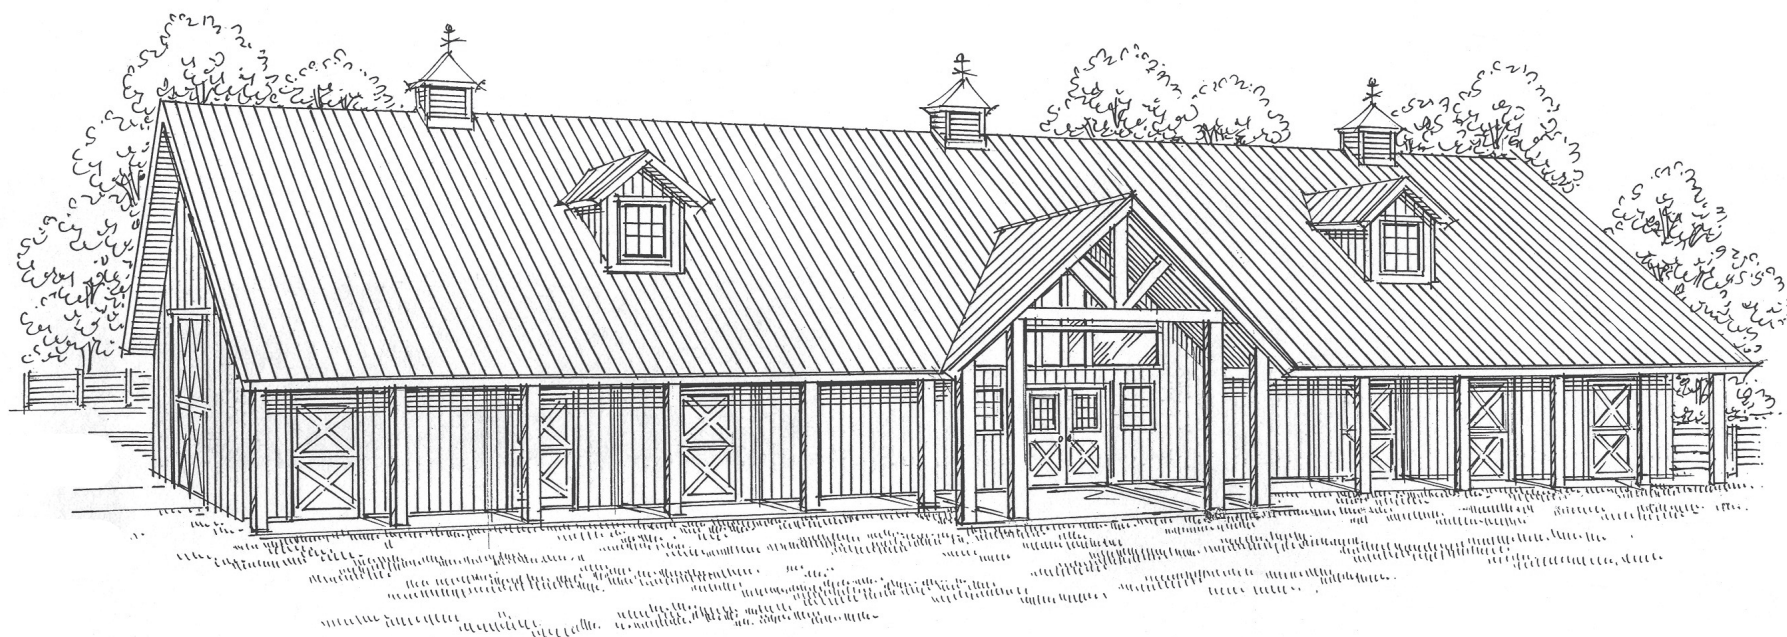

NINE STALLS, INCLUDING LARGE FOALING STALLS

... join a tack room, storage and mid-sized arena. This configuration provides ample circulation and storage space. The exterior is clean, simple and attractive.

☞ nine stalls, including large foaling stalls ☞

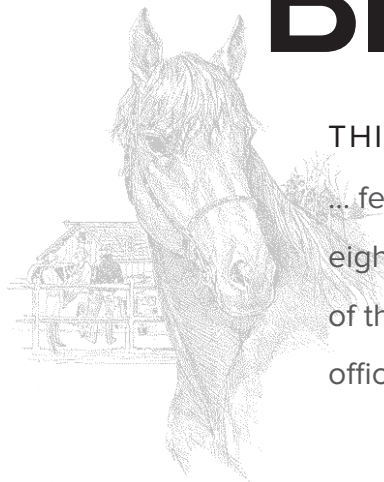

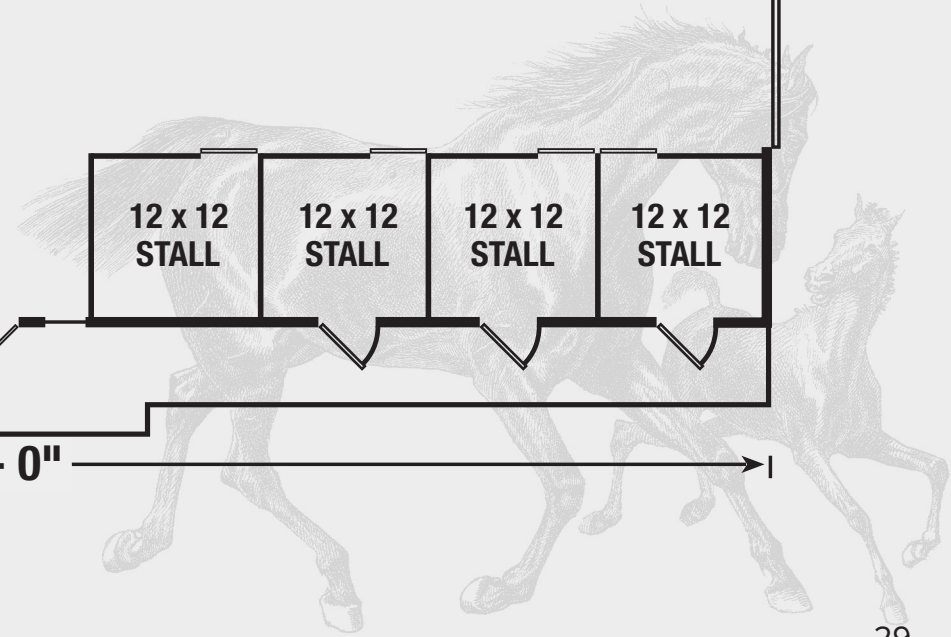

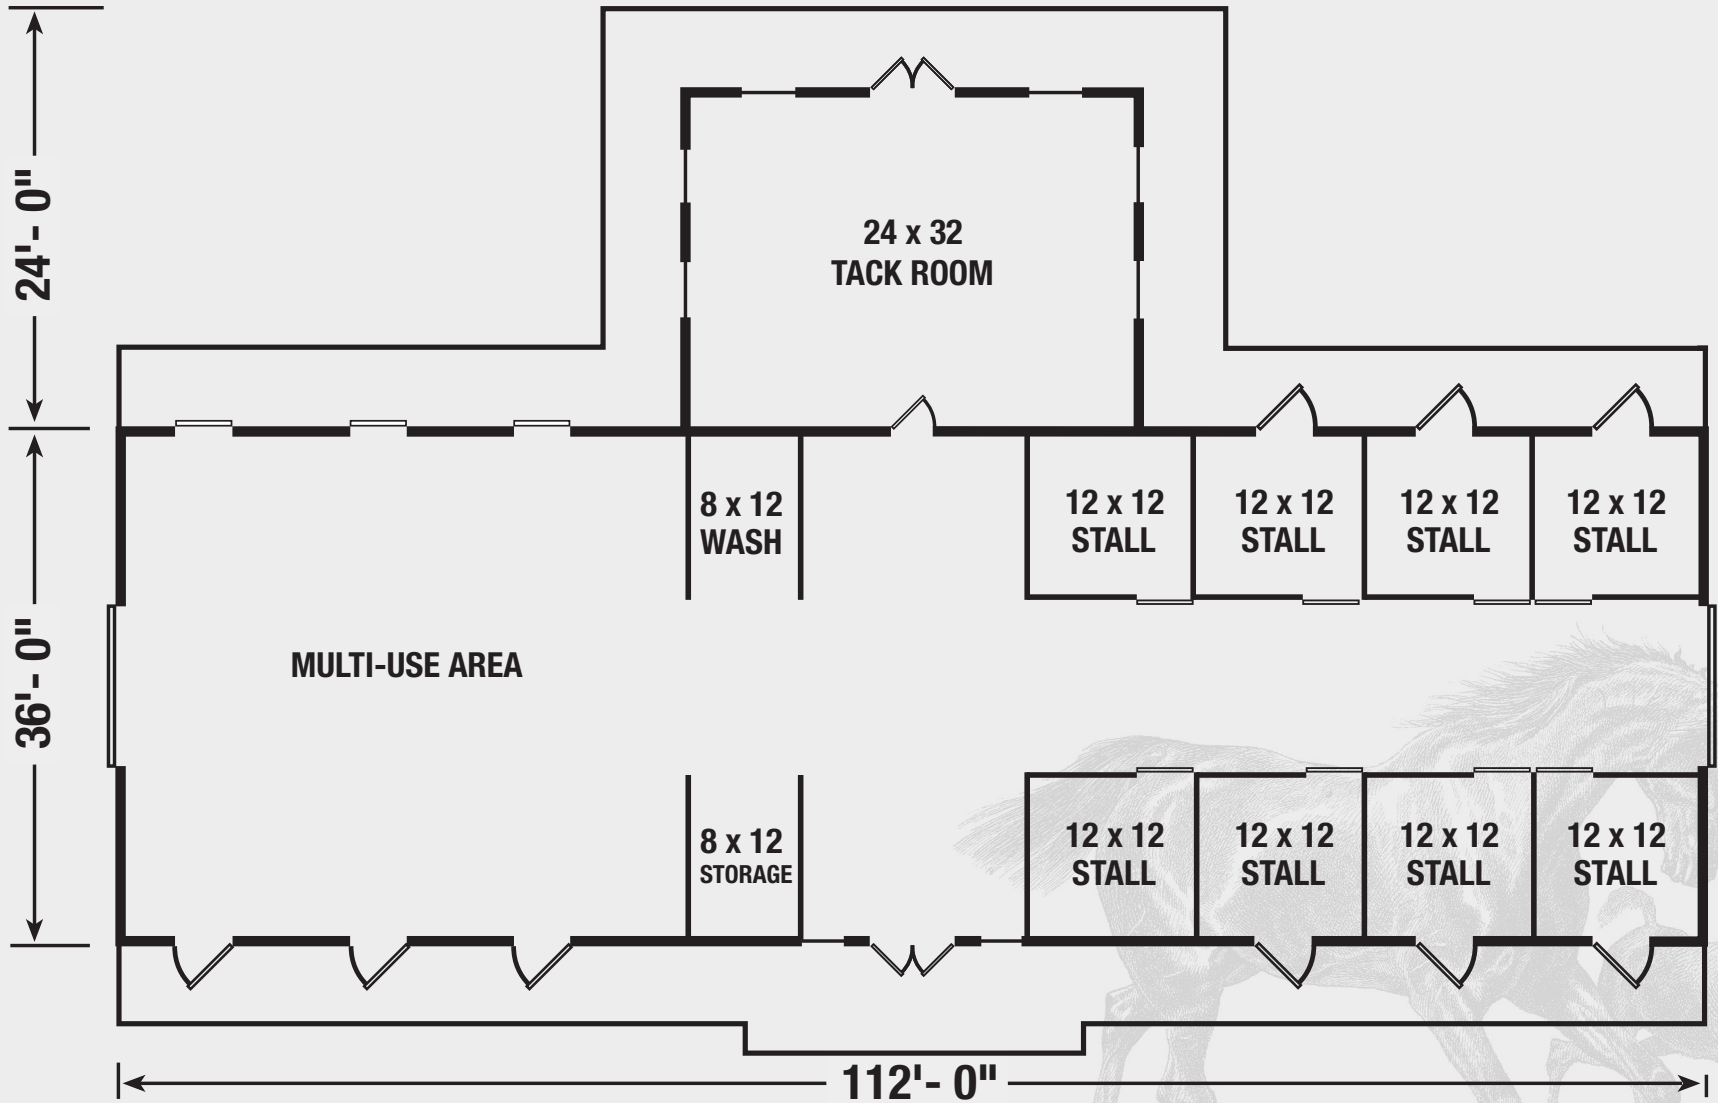

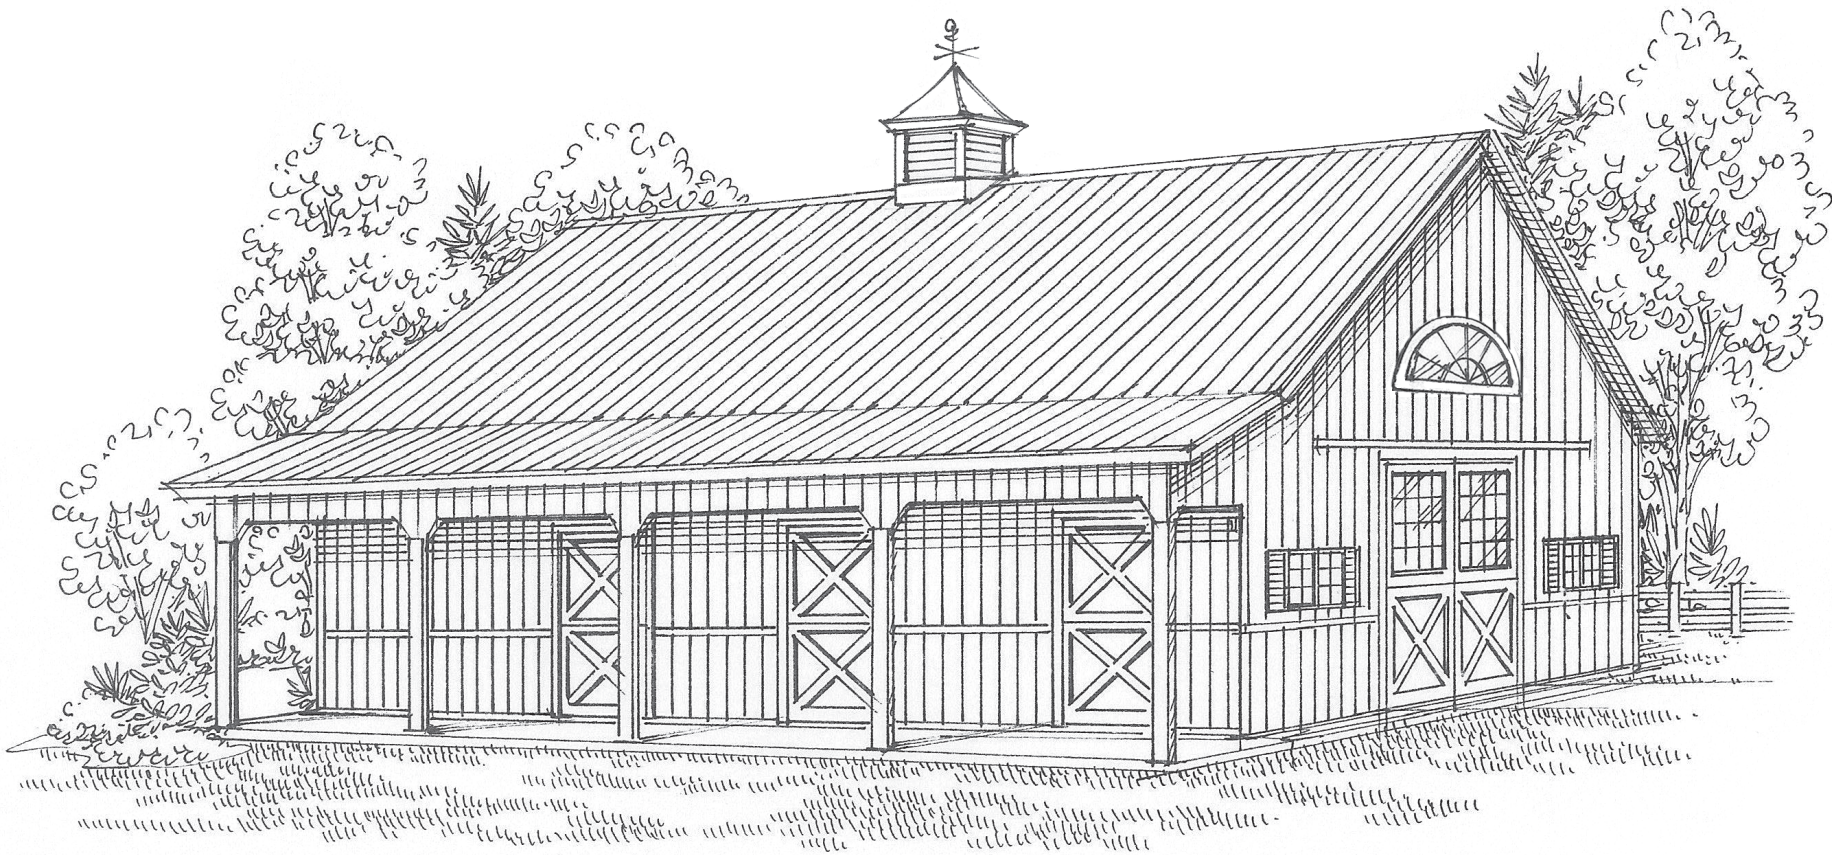

# Bluegrass Beauty

THIS REGAL EQUINE FACILITY

... features a striking vaulted entry, set off with cedar timbers and large windows. Inside are eight stalls, plus wash area, feed room and a small space for riding. Another notable element of this design is a huge tack room. This space could be divided to include other functions: office, laundry, restrooms. The choice is yours.

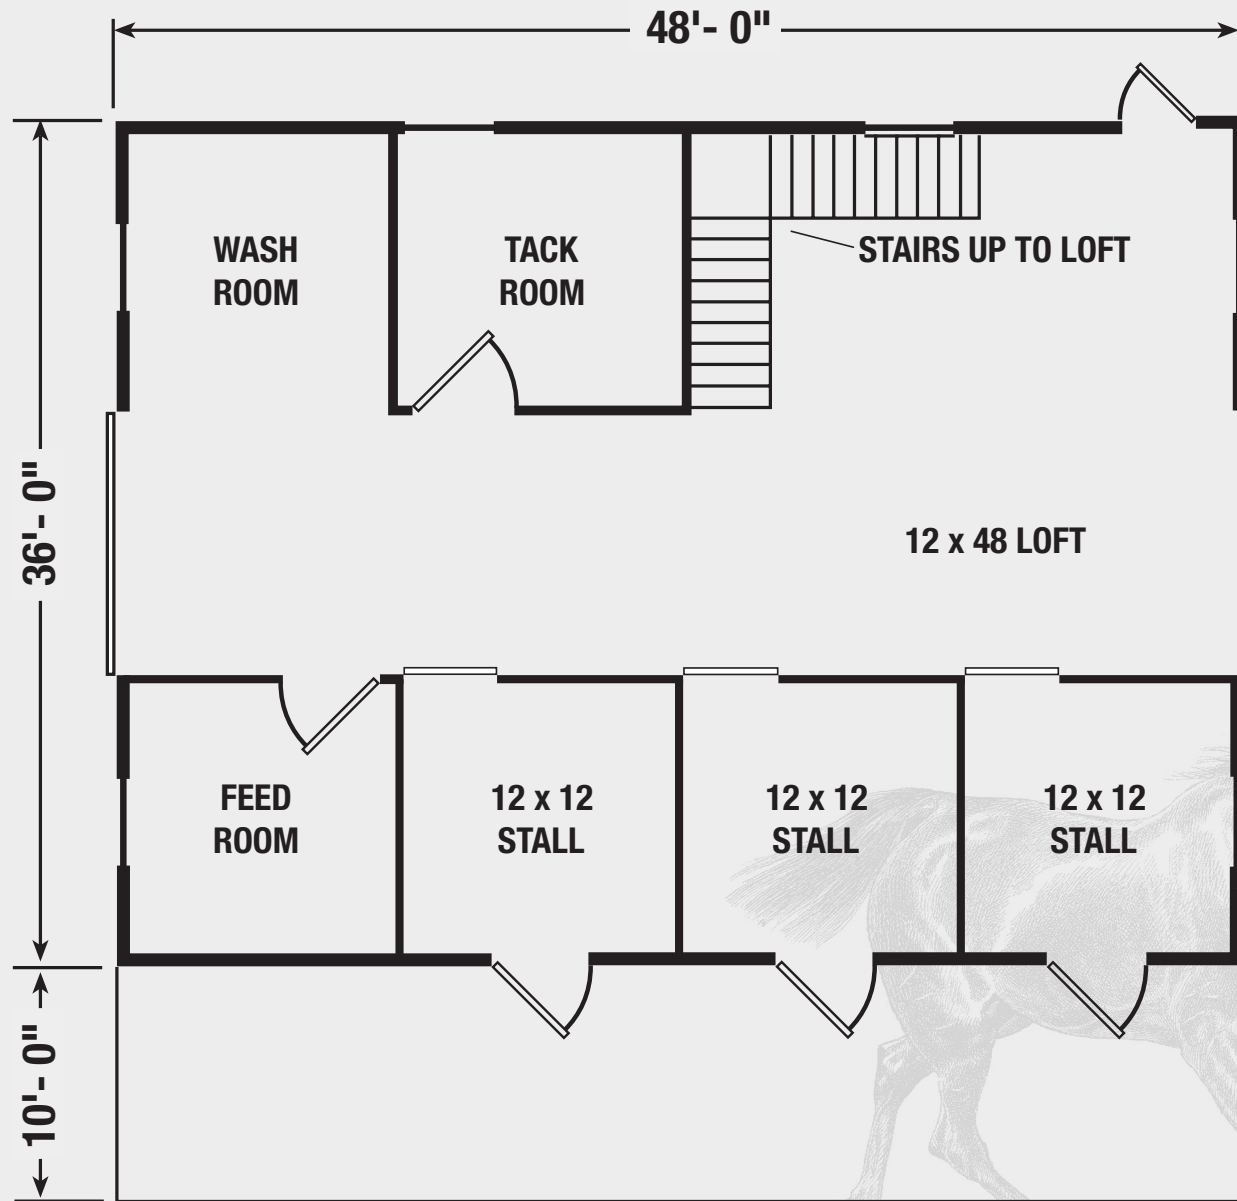

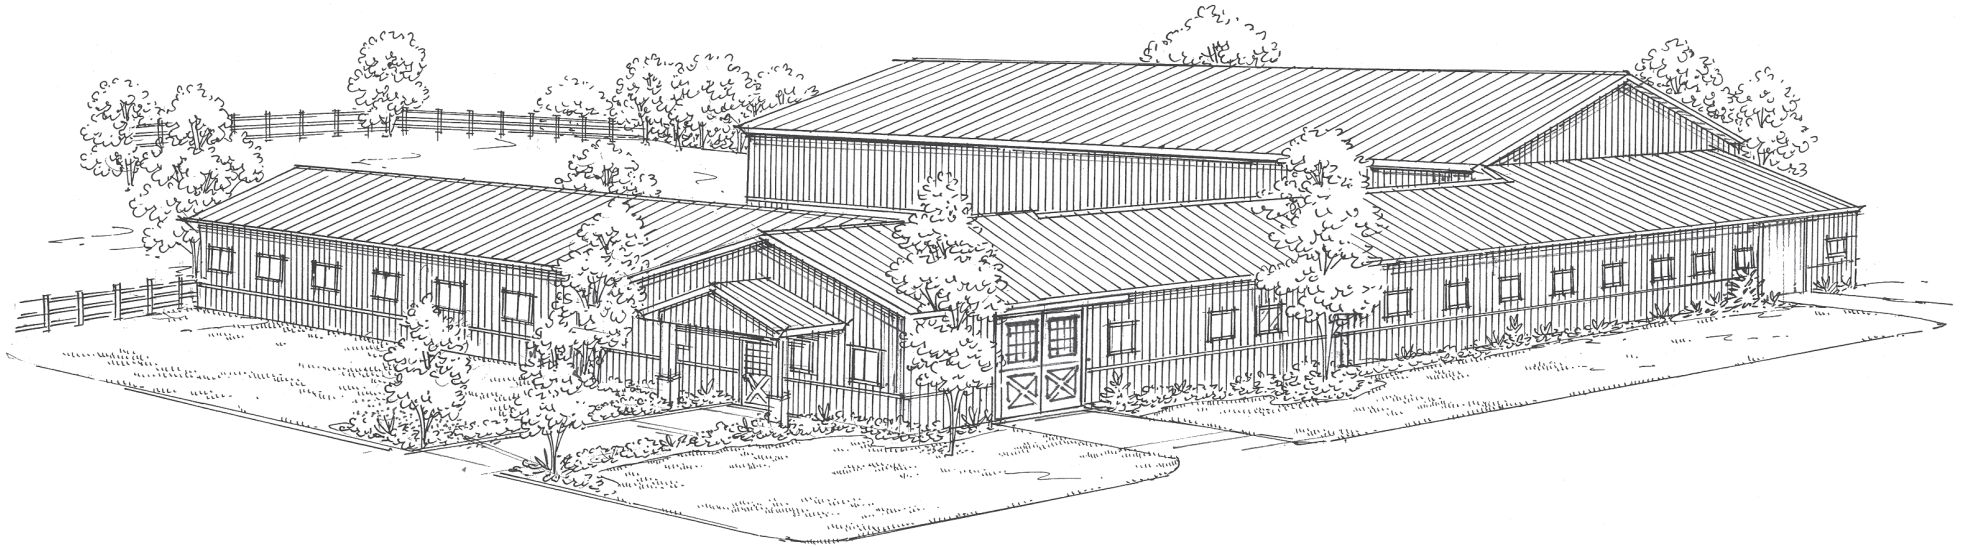

# Hickory Crest

A COMPACT DESIGN

... with abundant functionality, you get everything you need for your hobby: four stalls, wash stall, feed room, tack room and a large loft for extra storage.

# U-Grande

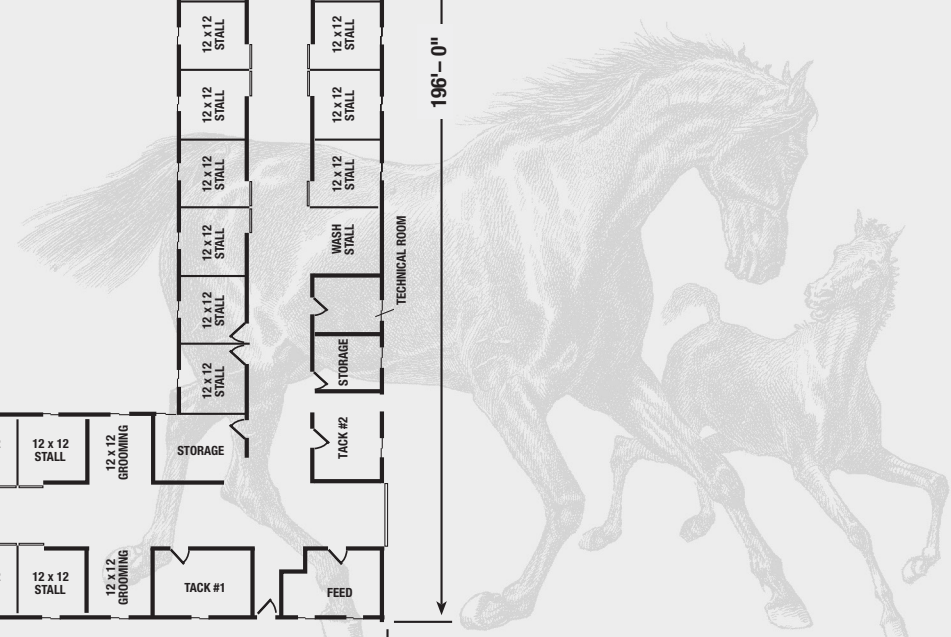

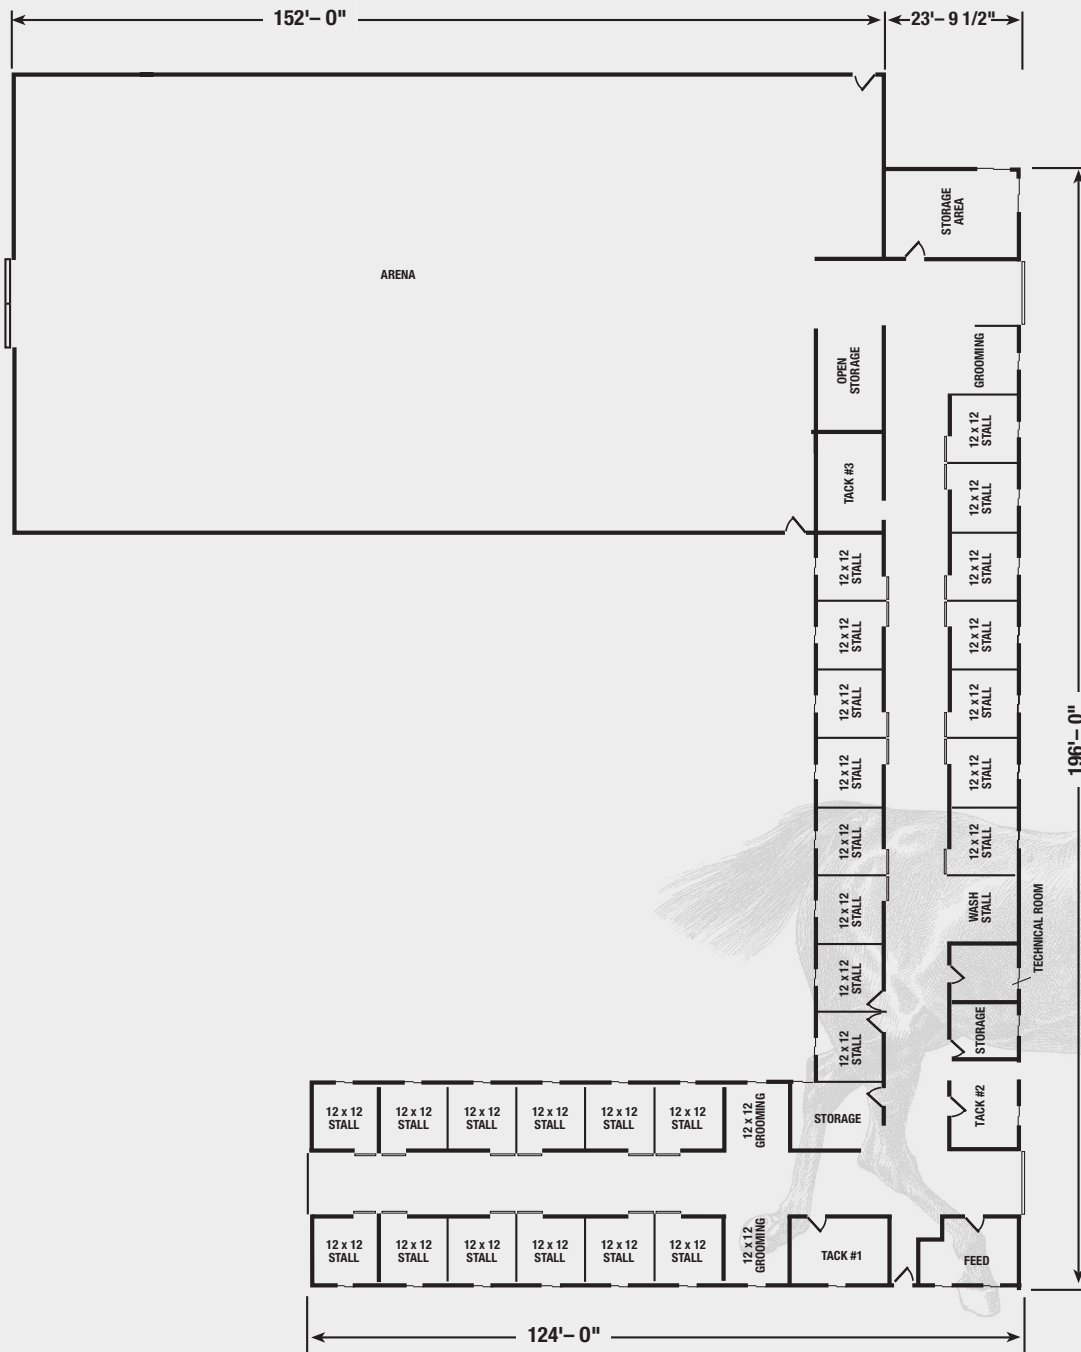

THIS LARGE FACILITY IS ALL BUSINESS

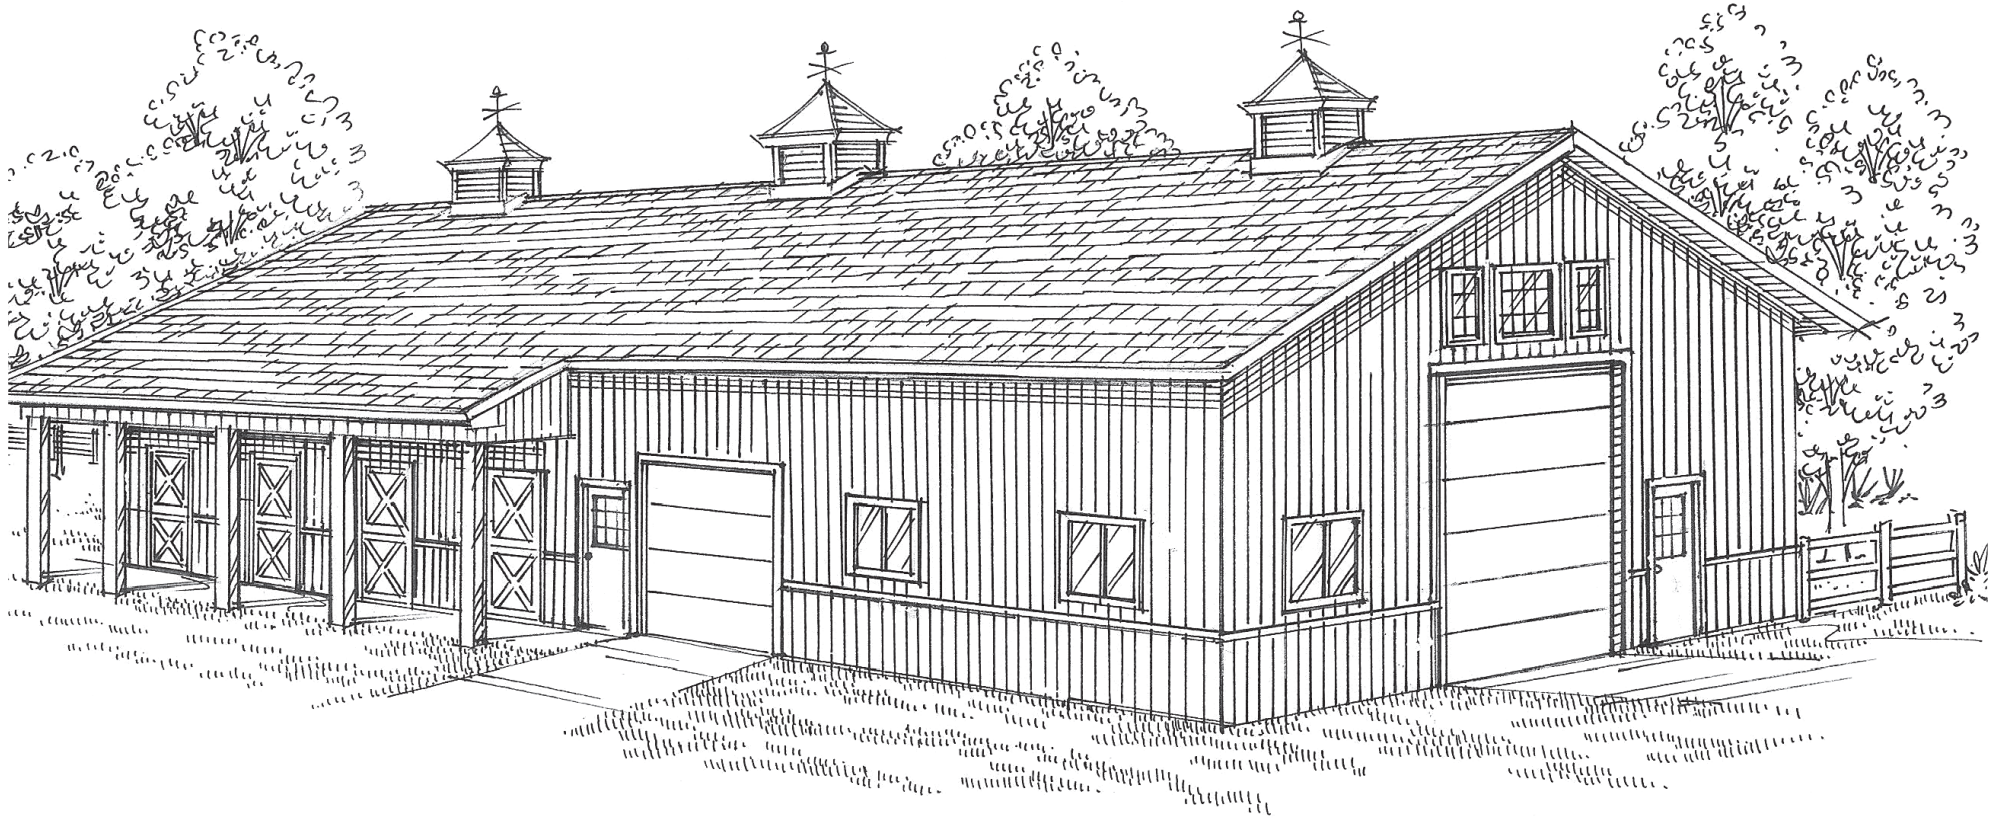

... with 27 stalls, large arena and space for grooming, feed, washing and tack. The “U” shape breaks up the long hall, allows for varied sun exposure and creates a courtyard environment outside.

*o* this large facility is all business *o*

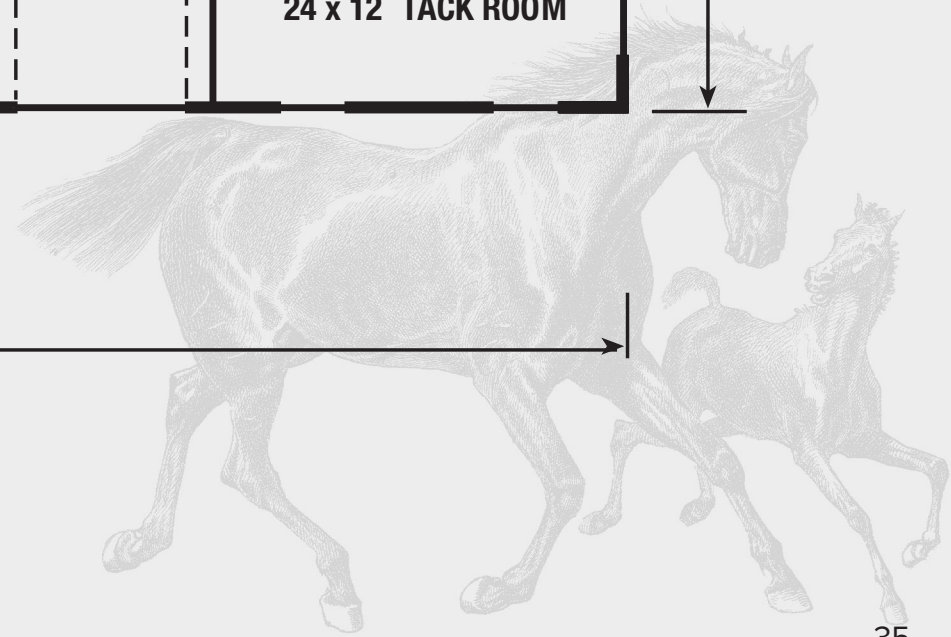

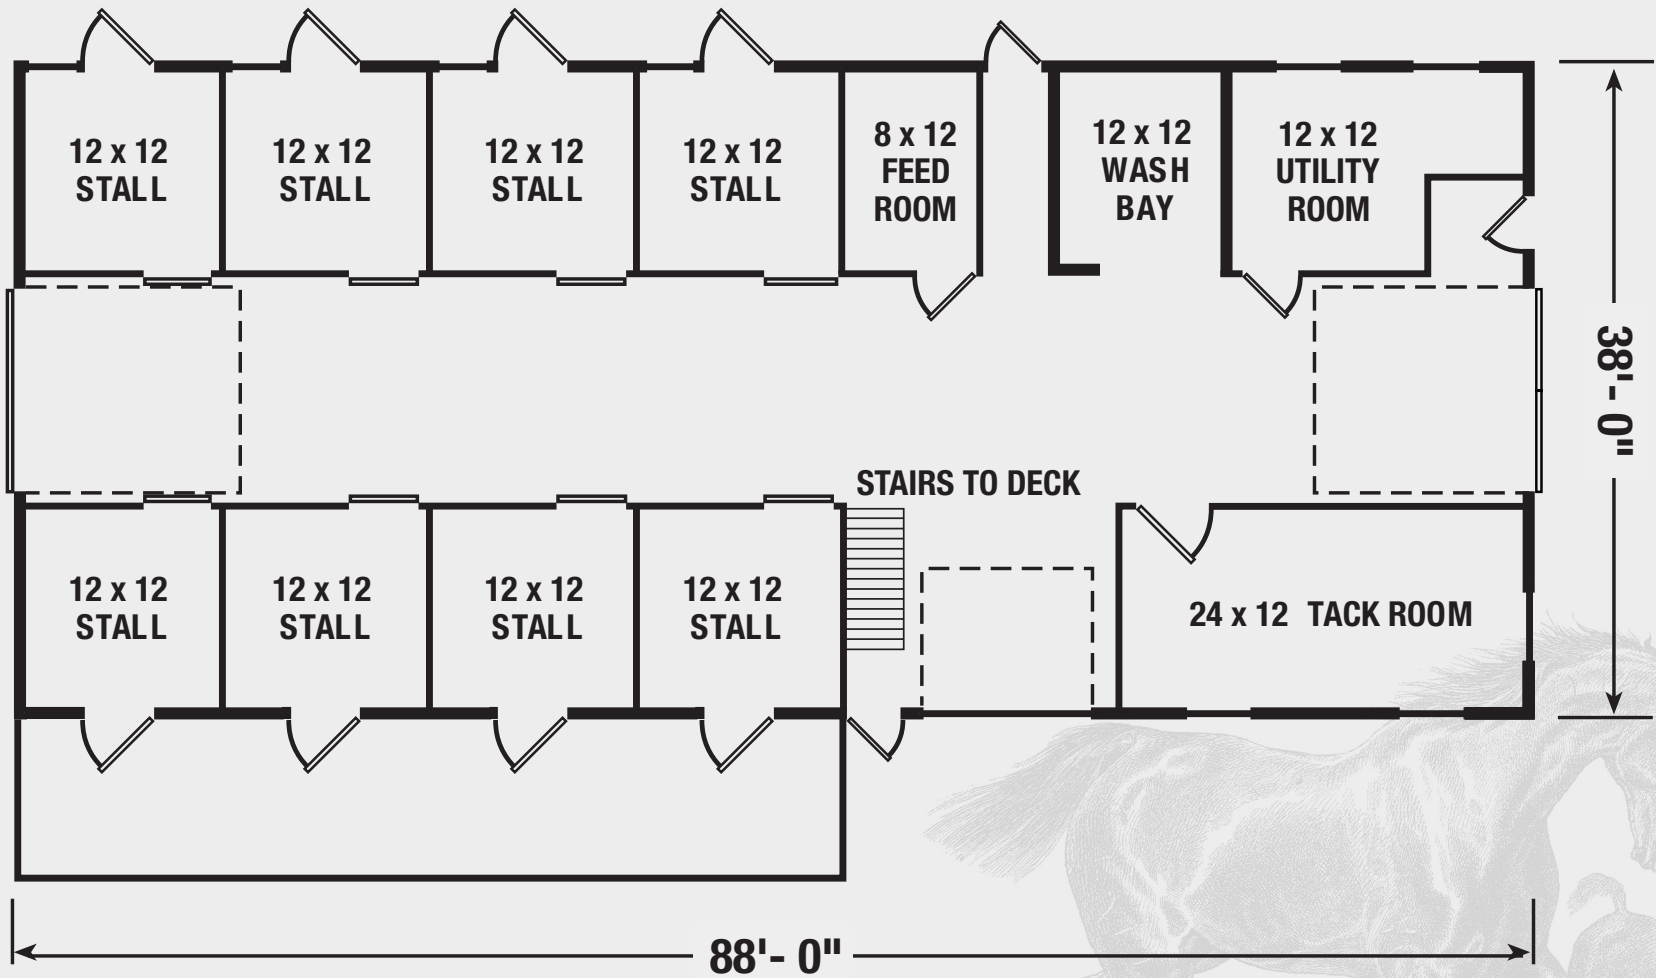

# Ranch Haven

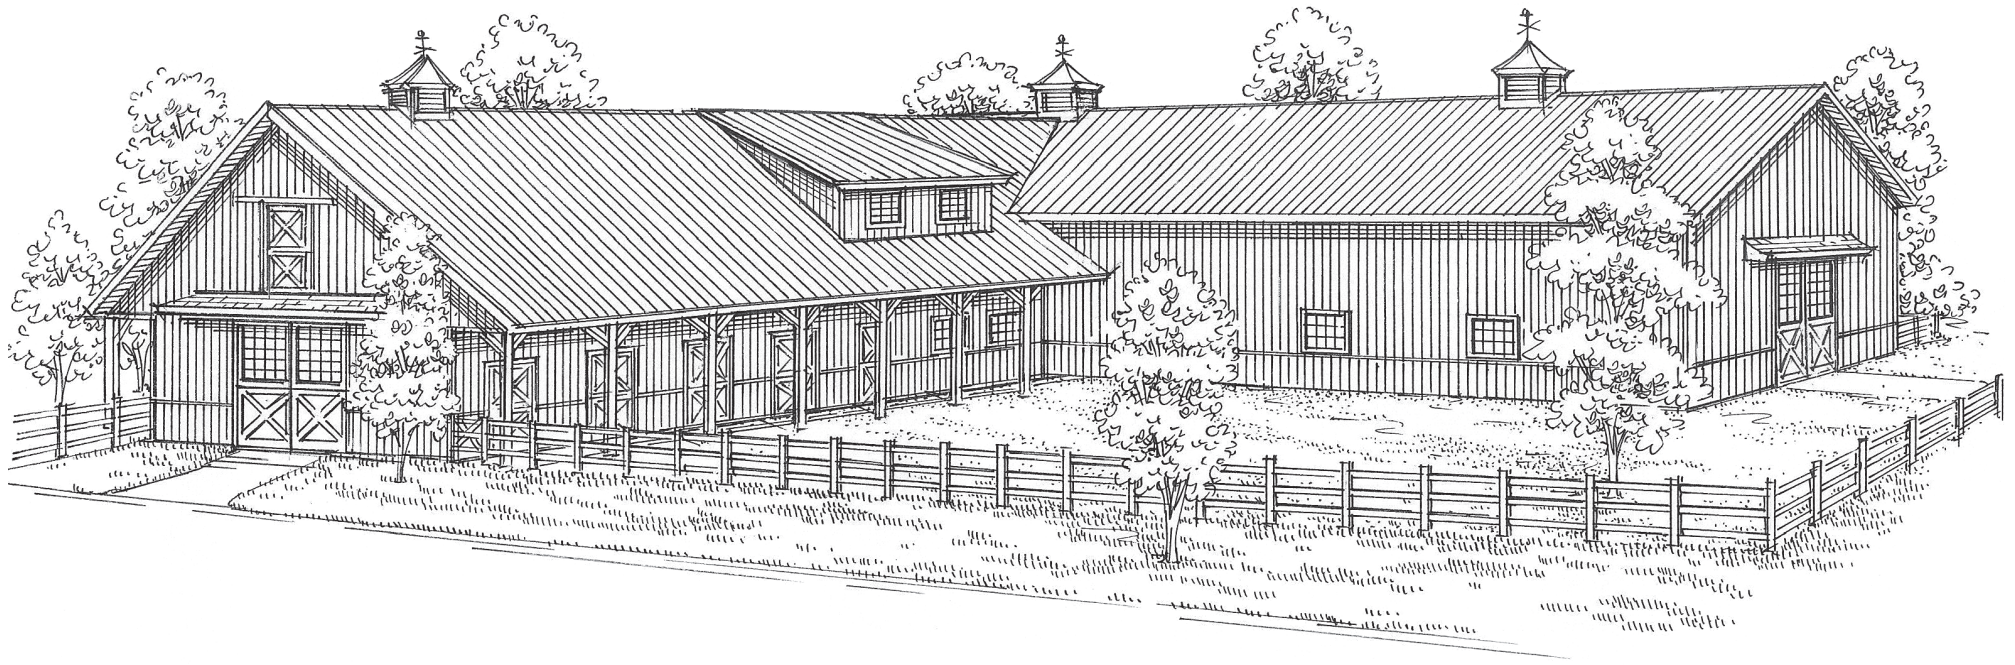

THIS LONG BUILDING COMBINES

... the traditional equine look on one end with a suburban style on the other. Dormers (on the back wall) and a large cupola bring it all together into a cohesive, attractive whole. Inside is everything you'd expect: tack, wash stall, feed room, utility room and stalls. An added bonus is a huge deck area that stretches the entire length of the barn.

combining equine look and suburban style

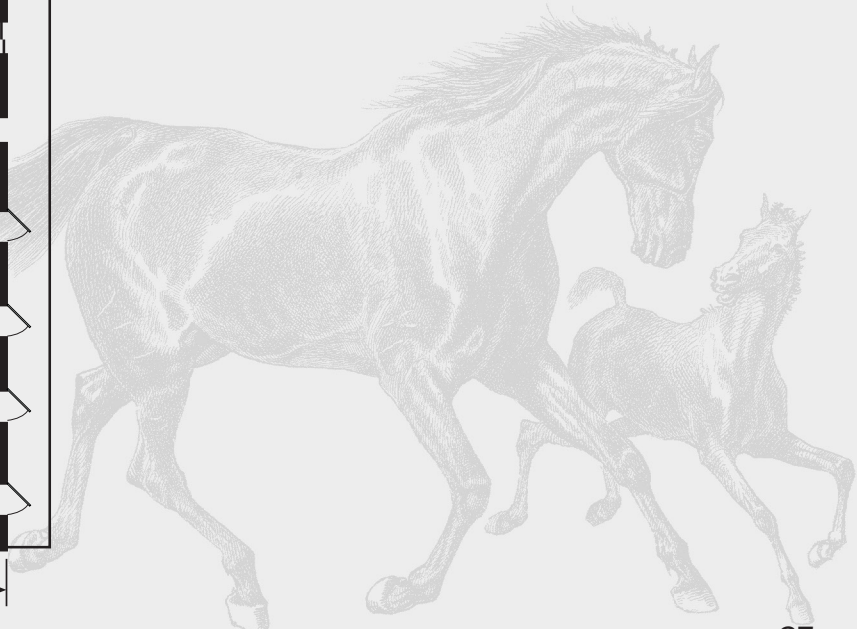

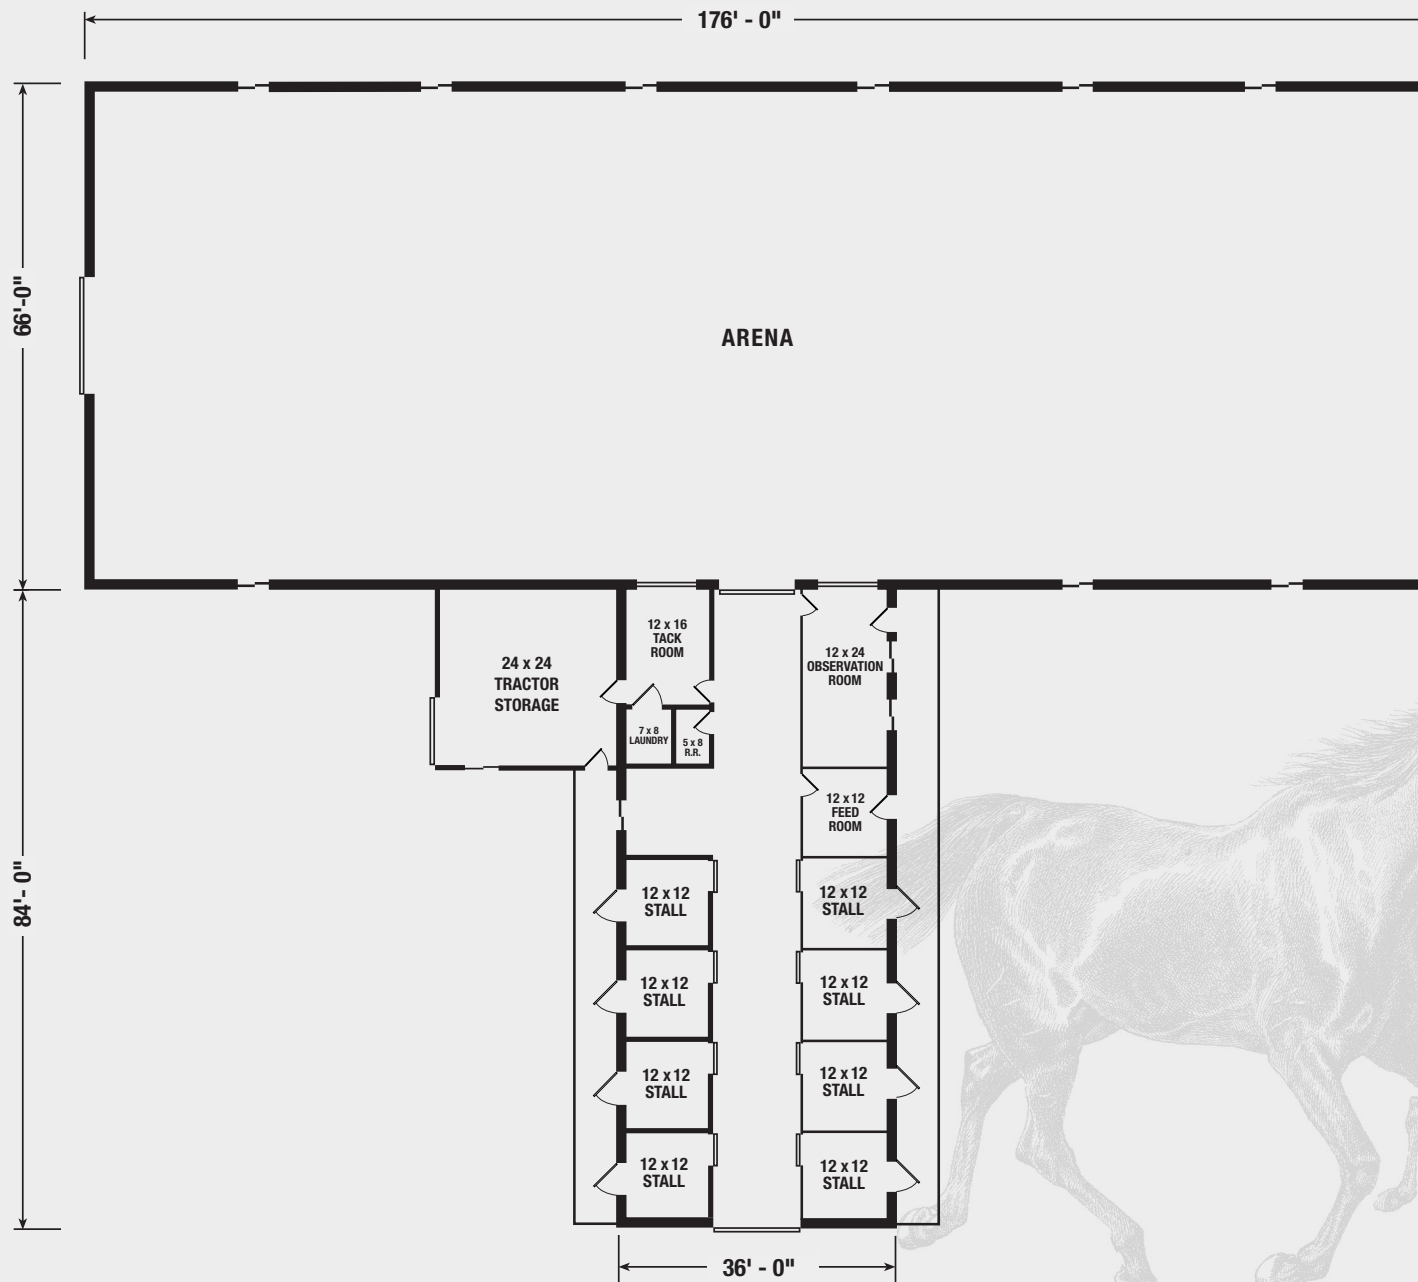

# Kentucky Favorite

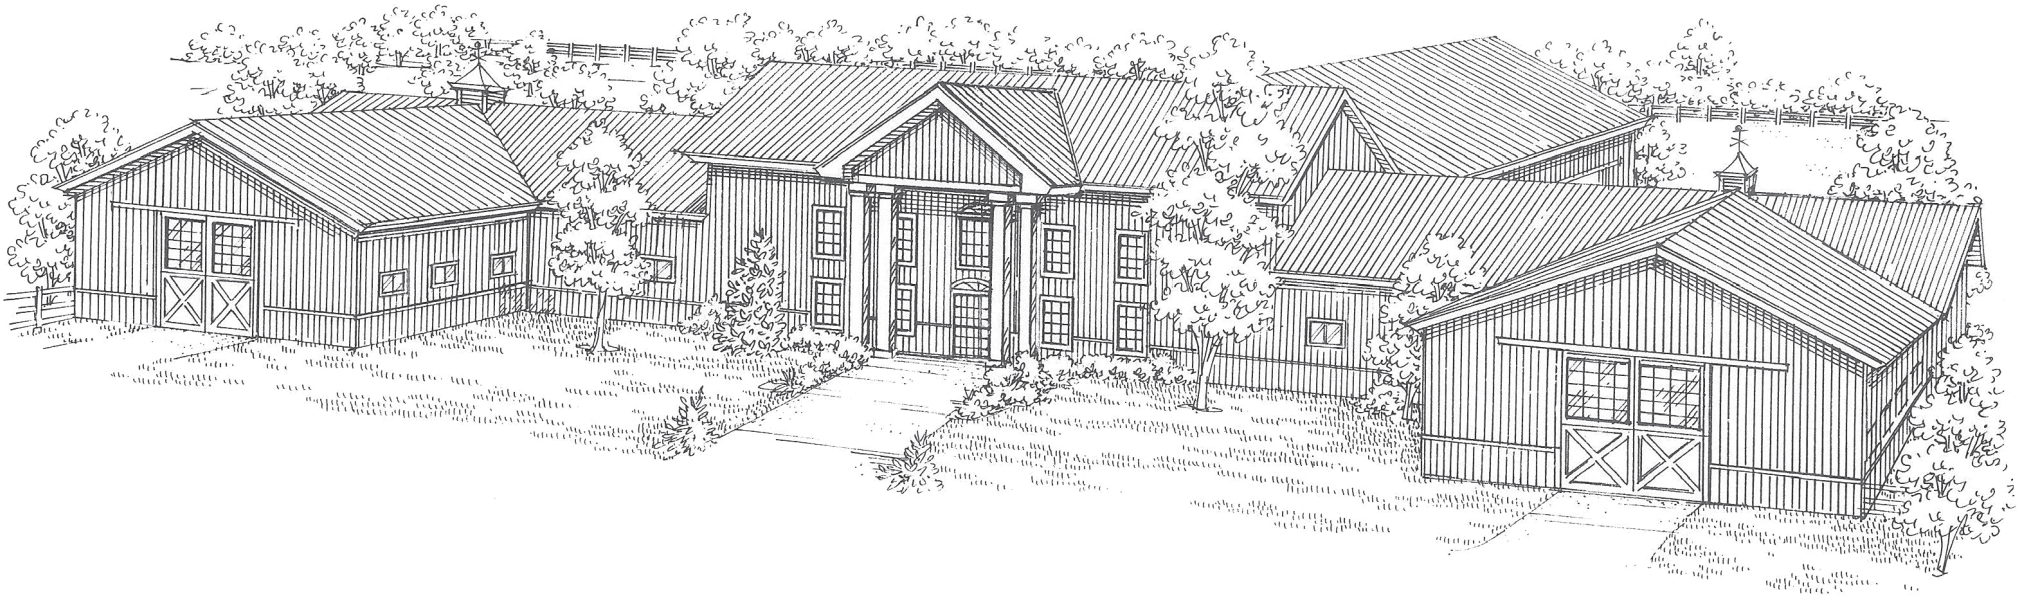

## THE CLASSIC "T" SHAPE

... serves this plan well. A generously sized arena is attached to an eight-stall barn with many extras. Enjoy watching riders from the roomy observation lounge. Wash blankets in the laundry room. In addition to the tack room, wash stall and feed room, this plan includes a dedicated room for tractor storage. No need to park in the aisle!

the classic "T" shape

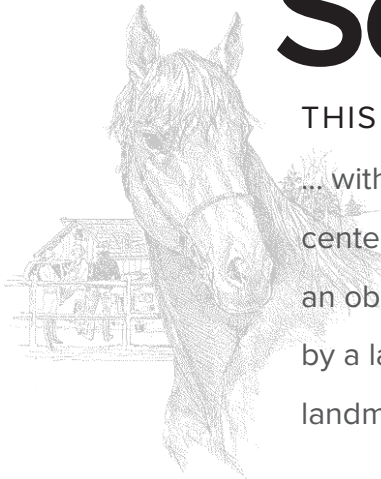

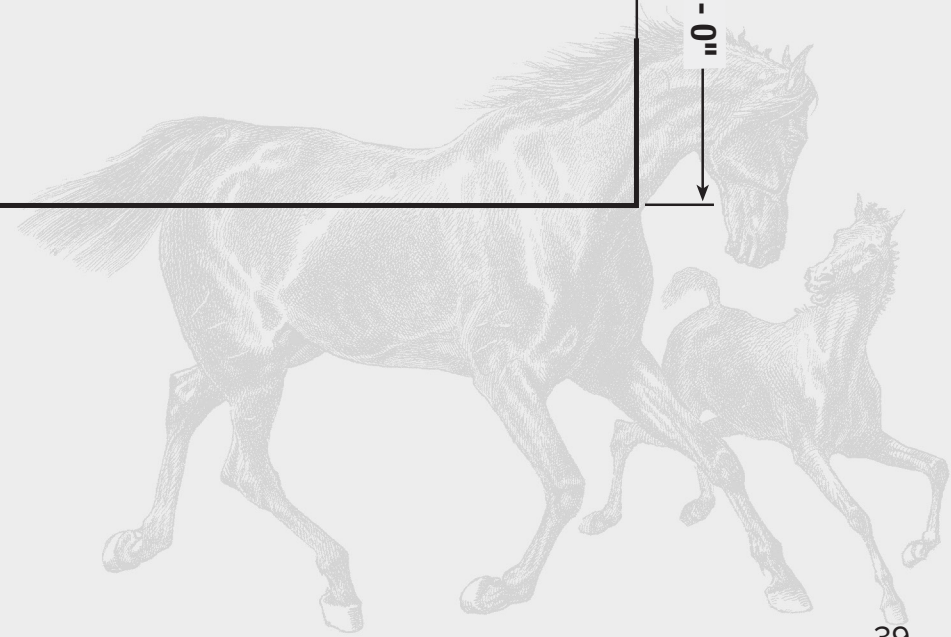

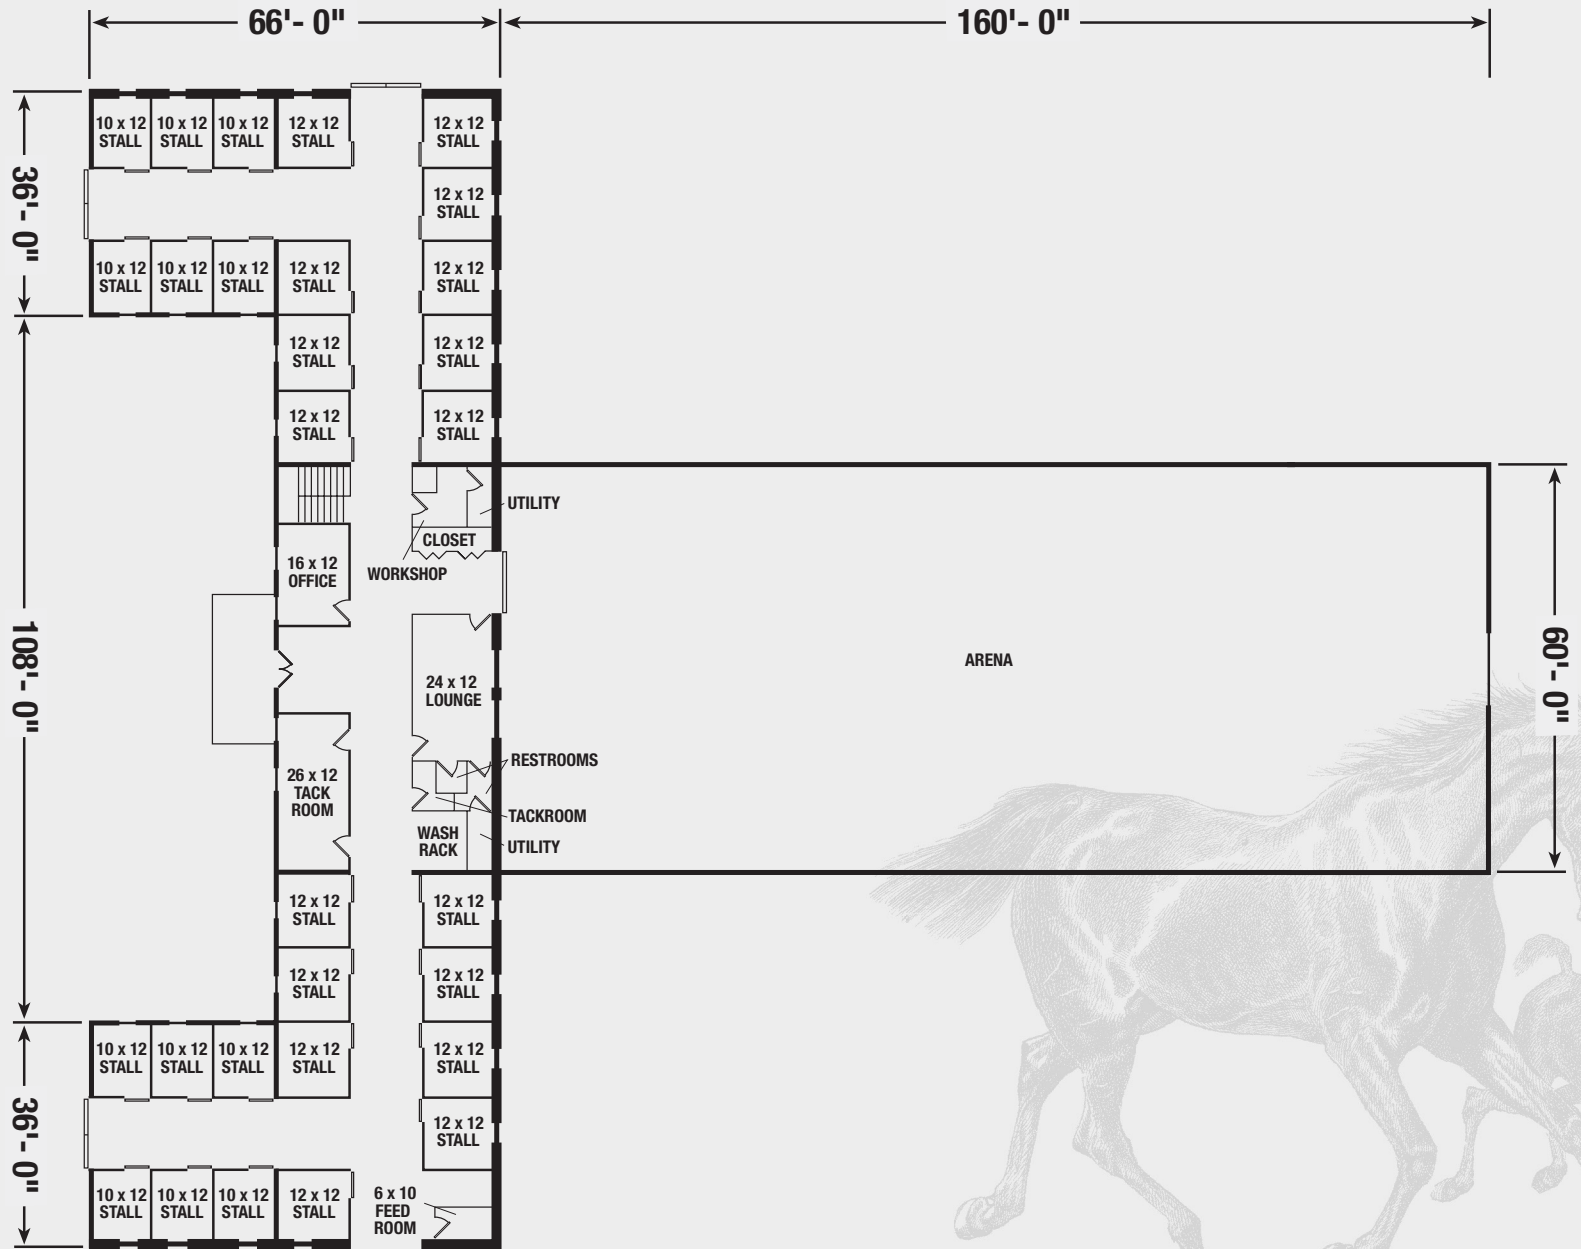

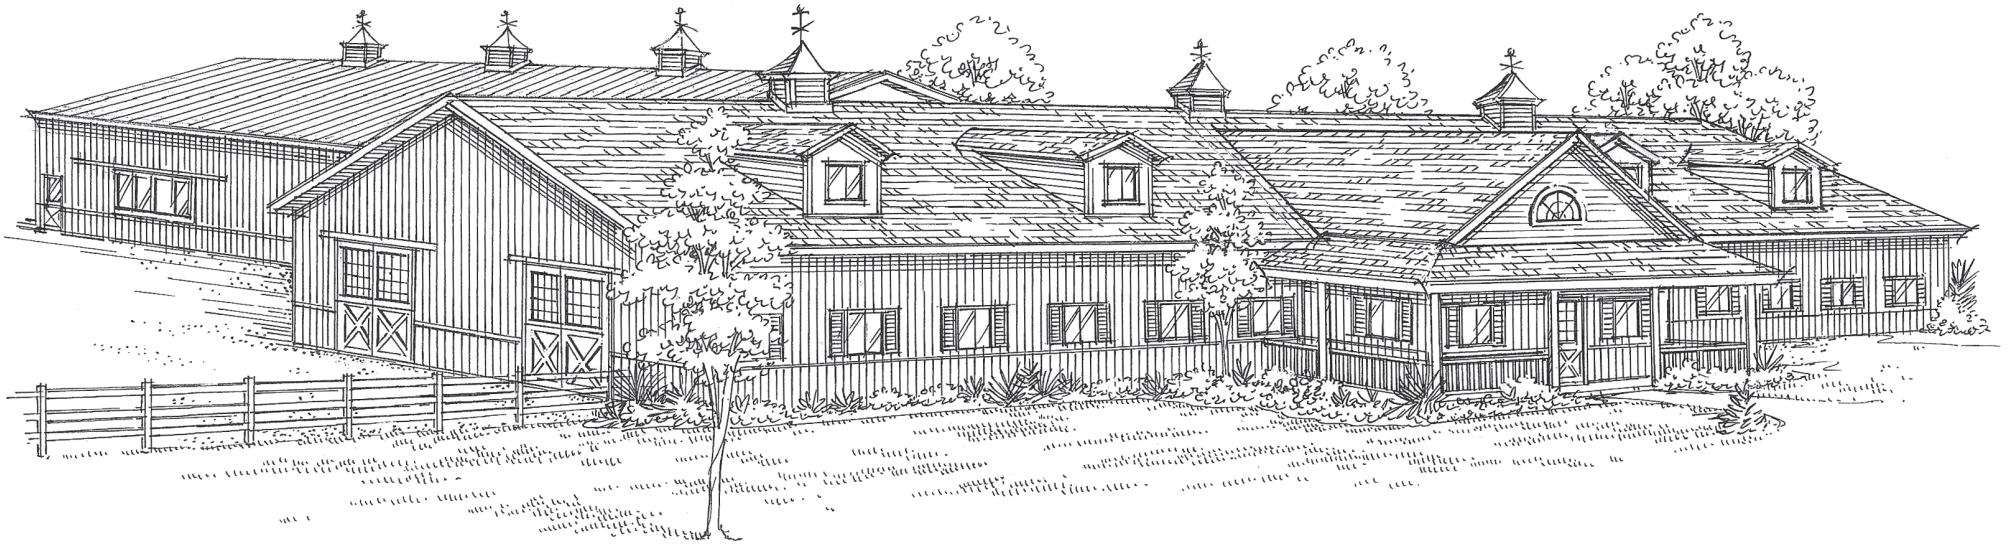

# Southern Belle

THIS FACILITY PUTS ITS BEST FACES FORWARD

... with the stately, two-story, pillared entrance serving as focal point. Designed to be the center of a bustling equine operation, it is set up to accommodate business guests. It includes an observation lounge, office, large restrooms and an upstairs multipurpose space serviced by a large dumbwaiter. Twenty nine stalls plus extra rooms join a large arena to make this a landmark wherever it is placed.

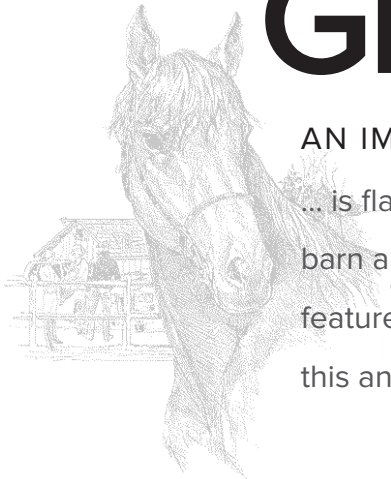

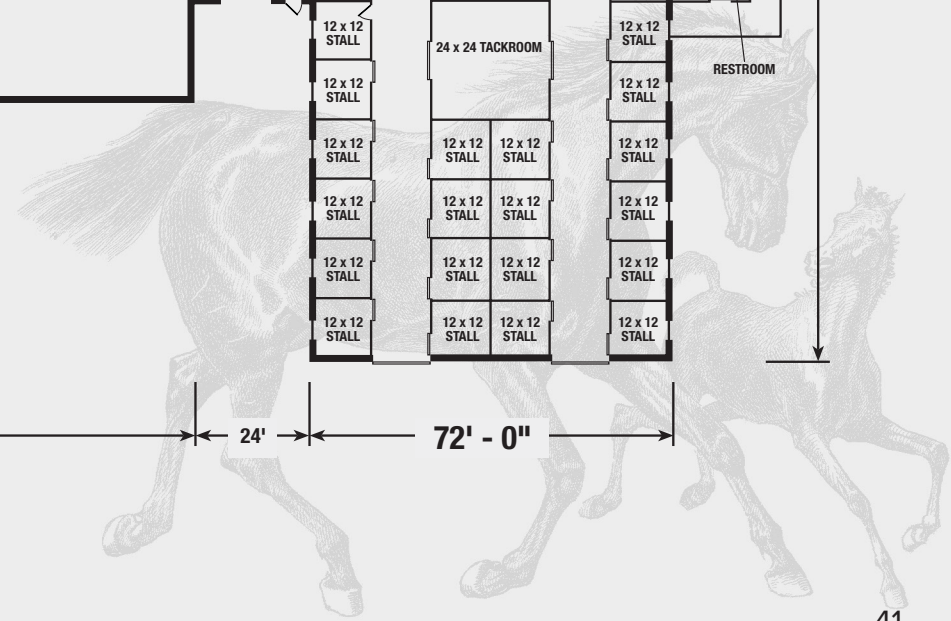

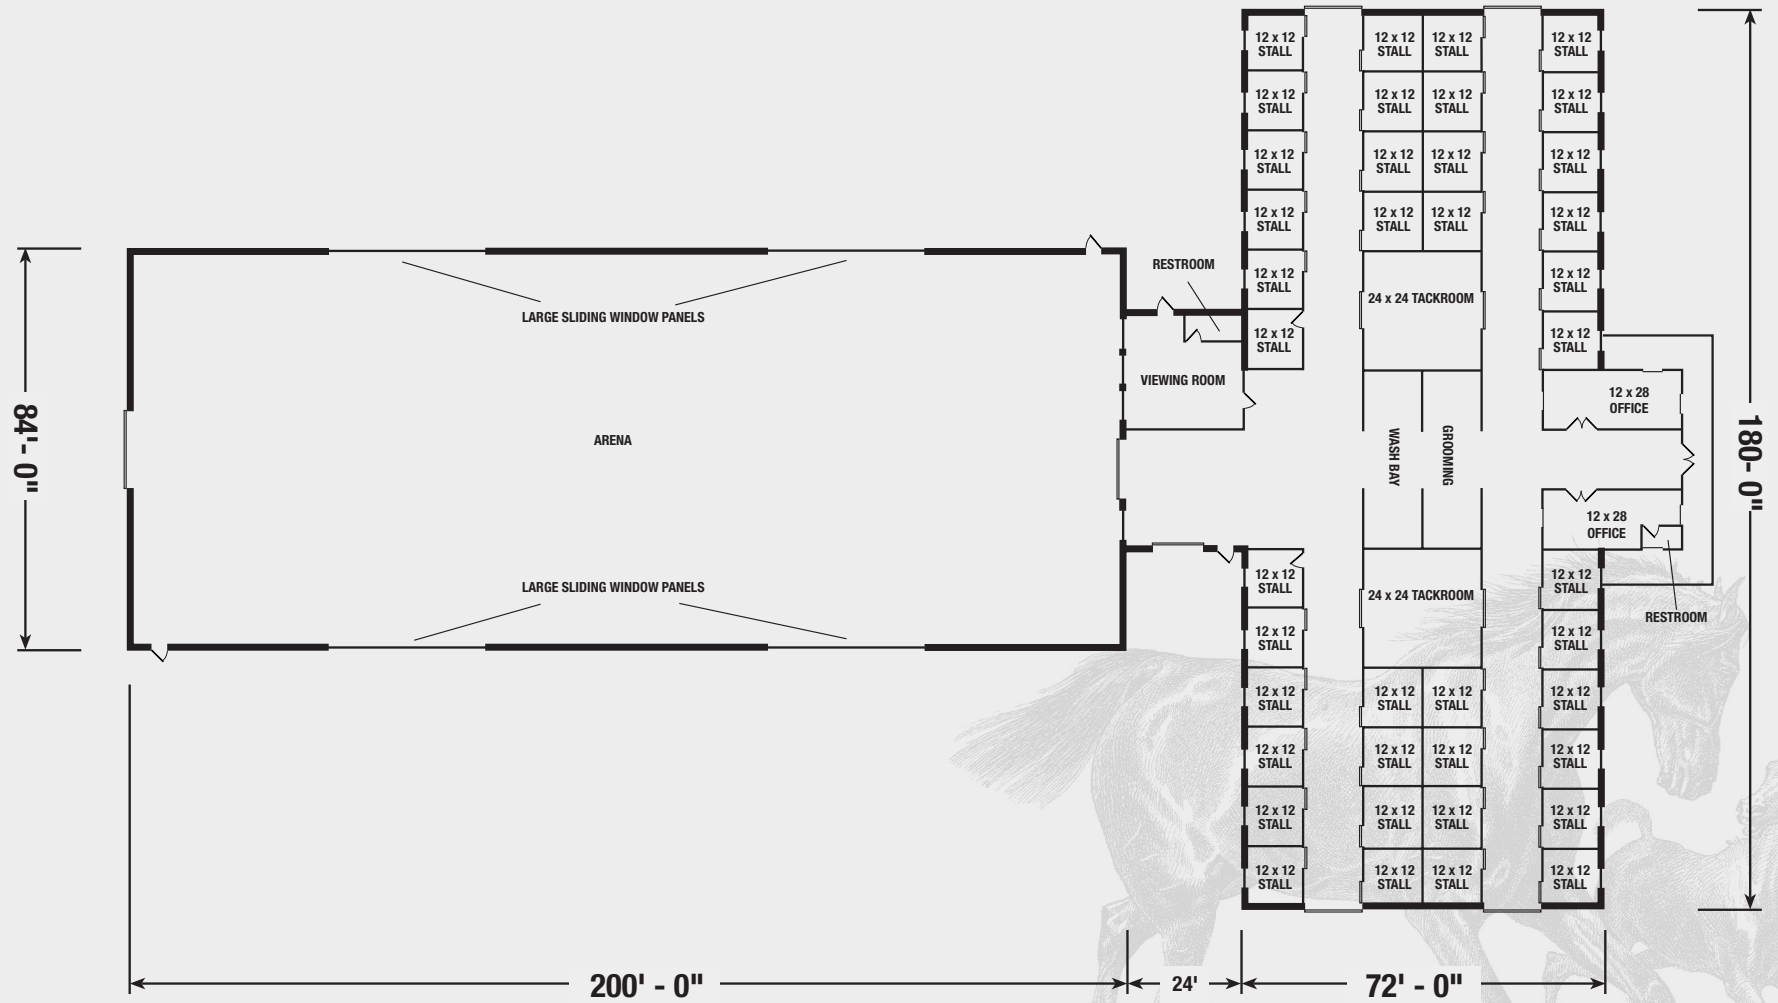

# Grand Estate

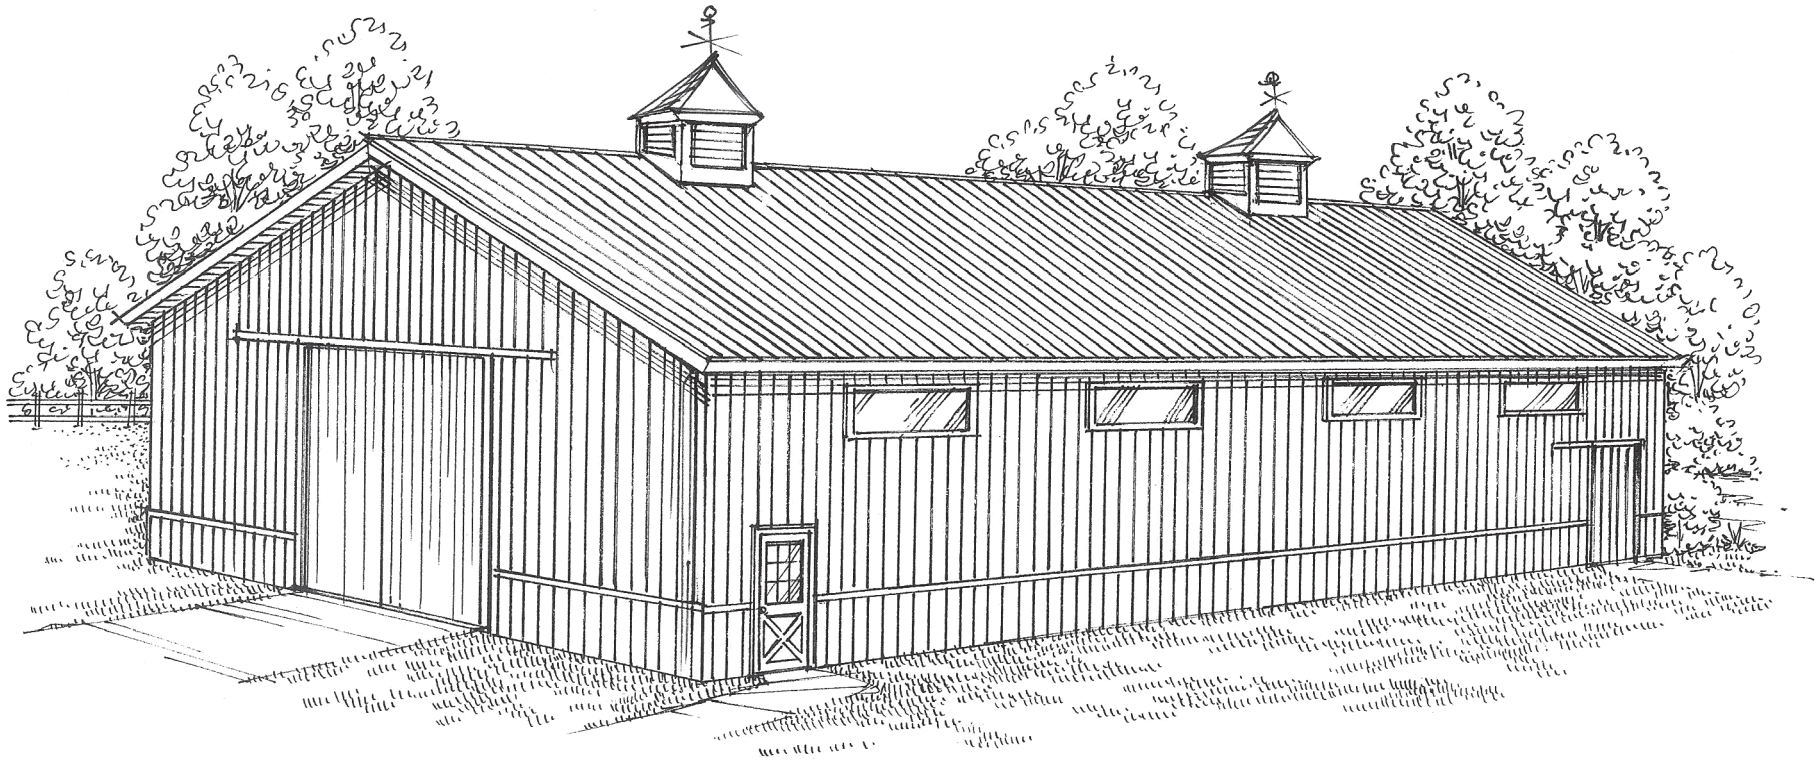

## AN IMPRESSIVE FOYER

... is flanked by spacious offices and leads into a central grooming and wash hub of this large barn and arena. Thirty-eight stalls, two large tack rooms and a loading dock are distinctive features of the interior. Outside, the brick wainscot, wraparound porch and dormers make this an eye-catcher.

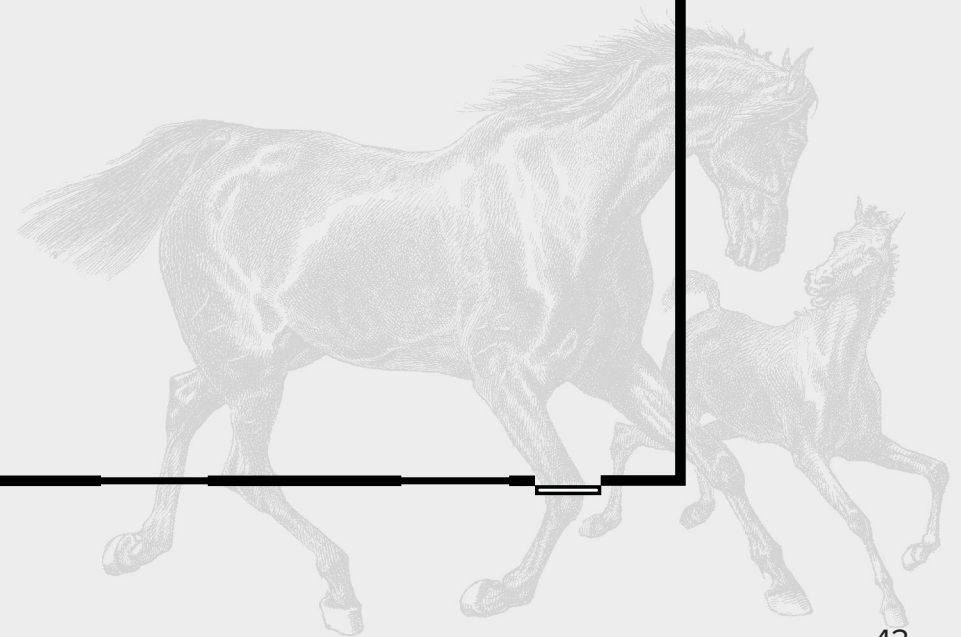

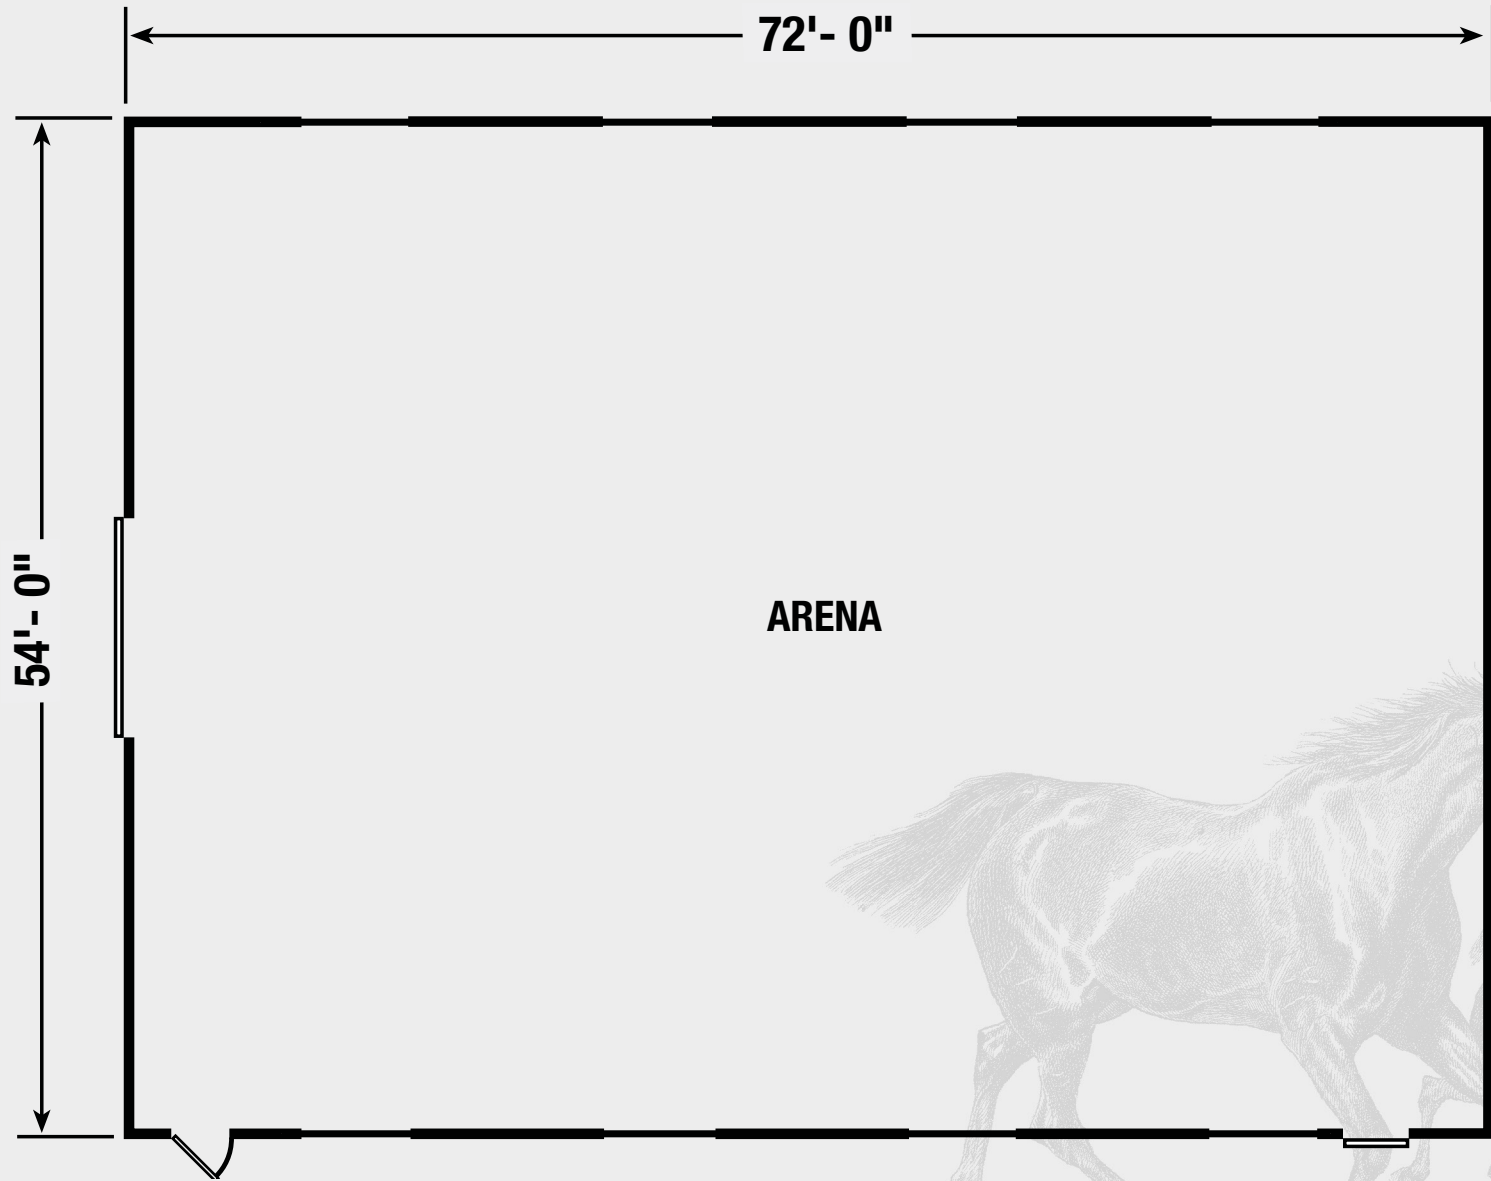

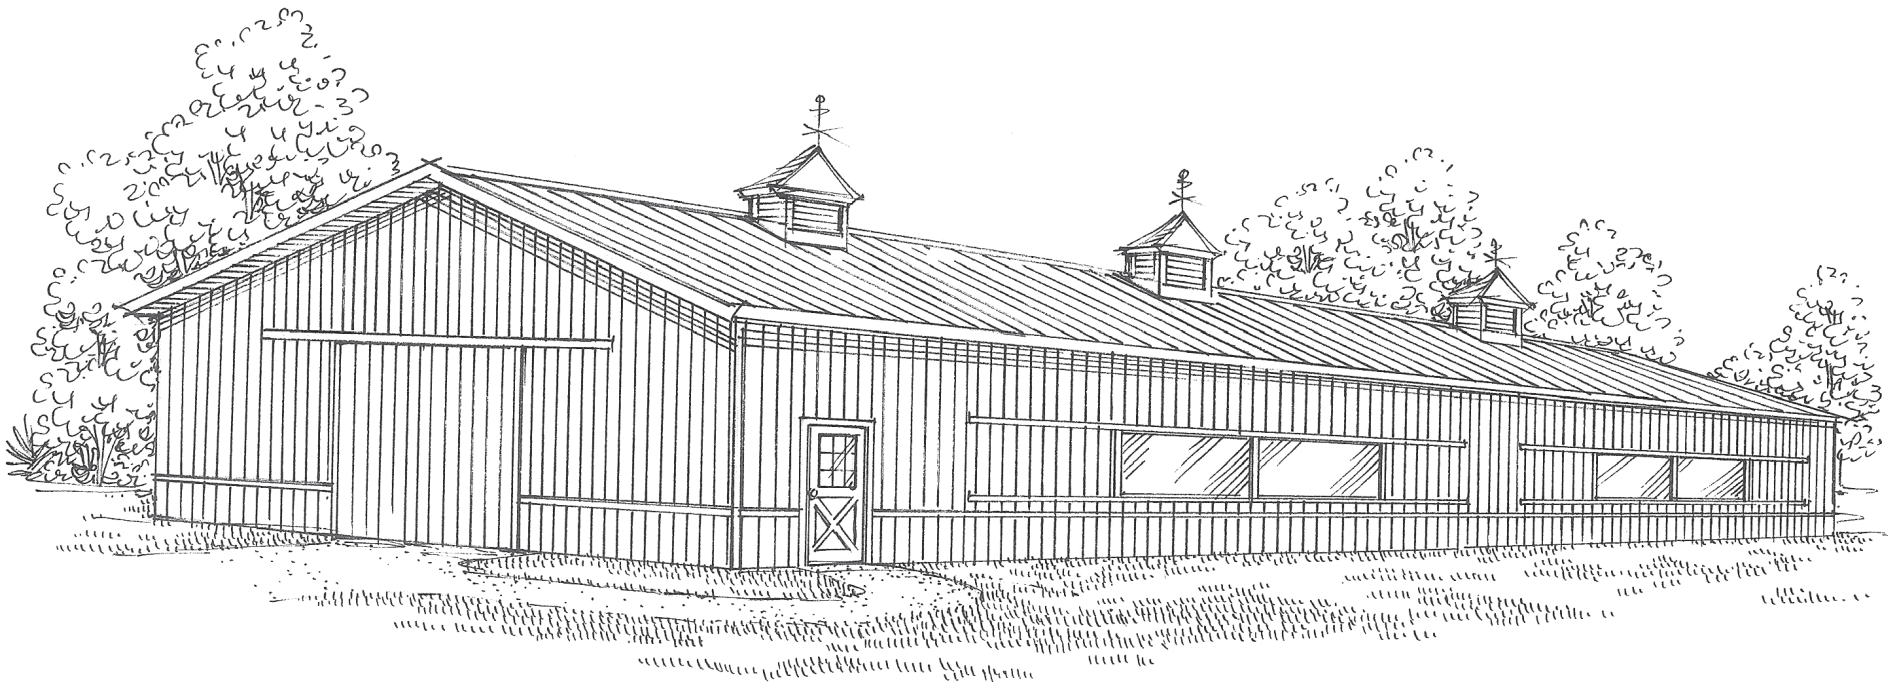

# 54 x 72 Arena

## ARENA I

This is a basic arena suitable for most pleasure riding. Four windows near the tops of each sidewall bring in abundant natural light making being inside much more pleasant.

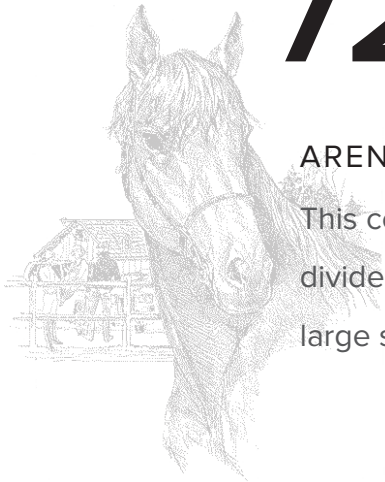

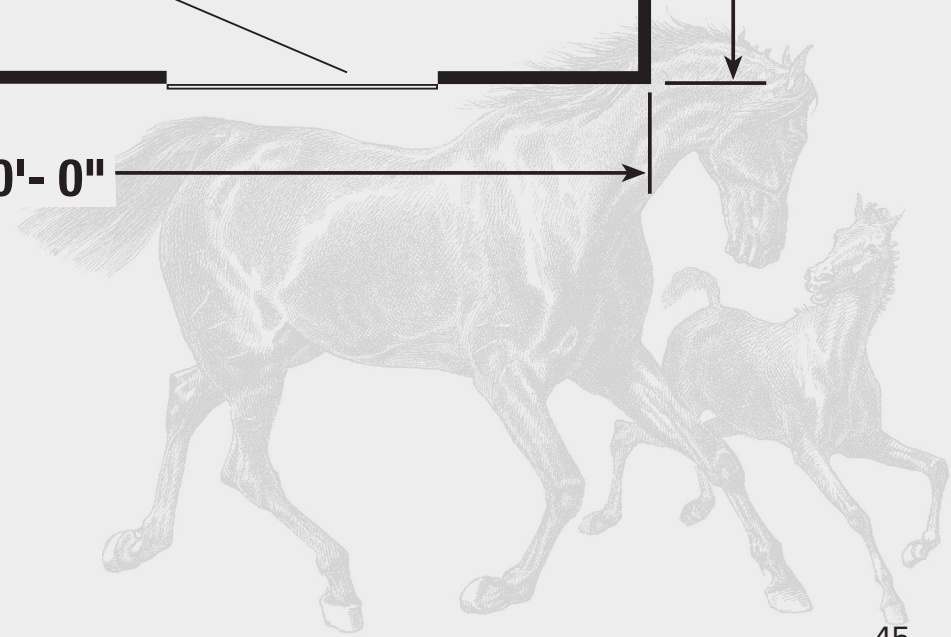

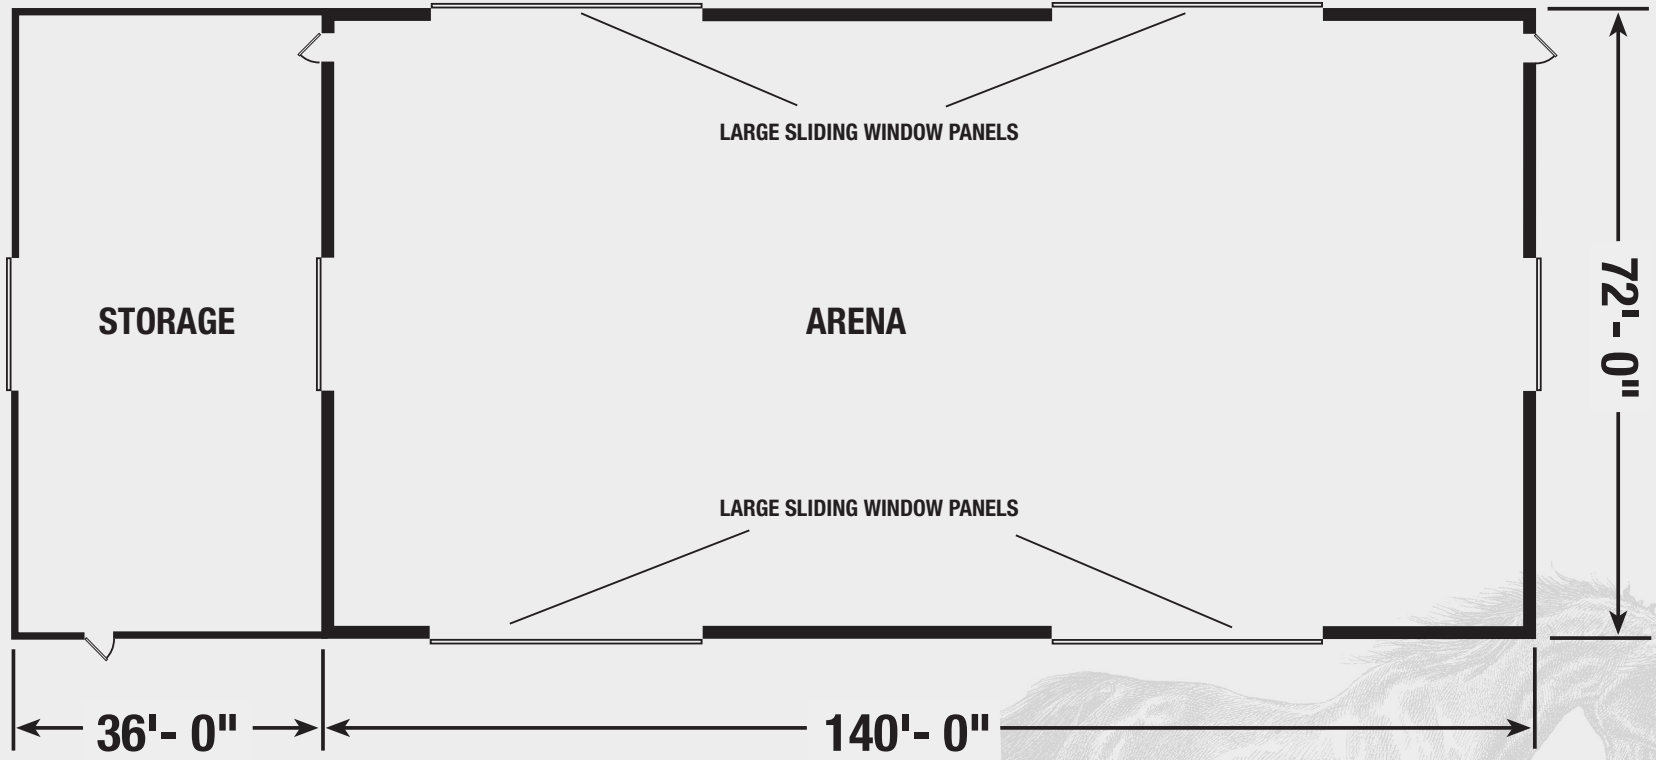

# 72 x 140 Arena

## ARENA II

This comfortably sized arena also provides a large storage room. This storage room could be divided to include a separate lounge or viewing room, if desired. The riding arena features four large sliding “window” panels that bring the outdoors inside. Plenty of fresh air and sunshine!

The renderings in this book are artistic renditions of completed FBi projects. Some modifications may have been made from the actual buildings.
