

5 STEPS

Repair Your Pole Barn Damage

Get Started Here!

Rebuild with Confidence!

CONTACT YOUR INSURANCE AGENT

Once the initial shock wears off, you should contact your pole barn insurance agent. Take pictures to document the damage and incident.

CALL YOUR POST-FRAME EXPERT

Your agent may suggest collecting repair quotes. Contact a post-frame expert that can provide the right repair solution.

SCHEDULE AN ASSESSMENT

Your post-frame builder will send a Repair & Renovation Specialist to assess your property. This visit should occur within 24 - 48 hours (per availability).

CONNECT CLAIMS AGENT & BUILDER

We recommend having your post-frame builder work with the claims adjuster directly. They bring a high level of post-frame construction knowledge to the table.

START REPAIR WORK

After you receive your insurance money, you can sign the work order and make the first deposit. A Project Manager will be in contact to schedule the repairs.
